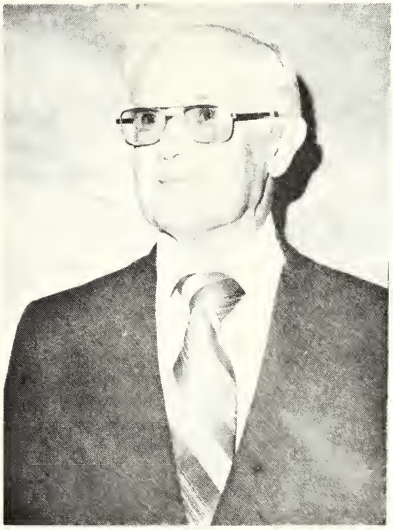
DEDICATIONS



Rev. W. A. Cloer
"A Man Of Great Faith"

William Andrew (Andy) Cloer was born November 7, 1911 in Macon County, North Carolina, the first son of the late Thad and Pearl Cloer, and grew up in Western North Carolina.

He was a deacon at the age of fifteen. At the age of twenty-two he yielded God's call to the ministry and was pastor of churches in several counties.

He worked as a lumberman and saw filer. His hobbies were fishing and hunting.

He died suddenly November 25, 1985. He is survived by his wife, Roxie, three daughters and two sons.

In his Bible he had written, "The battle is not won or lost in the last hours". He cited, II Timothy 4:7, "I have fought a good fight, I have finished my course, I have kept the faith".

Millard I. Brock
"Stood tall among his fellowman"

Rev. M. I. Brock, retired pastor from the Iotla Baptist Church, was born in Anderson, S.C. to Mr. and Mrs. John Brock.

He graduated from N. Greenville Baptist College and attended Furman University. He served in the U.S. Navy during World War II.

He was called to the Gospel Ministry at age 26. His first pastorate was in Greenville, S.C. From Florida he came to Iotla and served until retired 15 years later.

Brock's outgoing personality made him special to the young and old. During his illness his daily quotation was Psalm 8:1; "O, Lord Our Lord, how excellent is thy name in all the earth, who has set thy glory above thy heavens".

He died March 8, 1986 and was buried in the Iotla Church Cemetery. He is survived by his wife, Emily of Franklin, two daughters, and a son who is a missionary to El Salvador.

He is deeply appreciated and greatly missed as

MISSIONS COMMITTEE REPORT

The missions committee of Macon Baptist Association had four (4) meetings this year to discuss and plan the work of our association.

The following is a list of recommendations that the Missions Committee made to the Executive Board this year. Please check the minutes of the Executive Board as to the action taken by the Association.

The Missions Committee (along with others) contacted a family concerning a missions house, but he had shown no interest in making an application for a house, therefore the matter was dropped.

We are continuing to work with Coweeta Baptist Church in seeking the best avenue to develop a missions church in the Tessentee area.

We recommended that the 10% of the State Missions Offering in September that will be returned to MBA be placed in the general fund with first priority being for new mission work.

We are presently looking at the feasibility of the MBA paying for the Christmas supper for pastor and wives, and executive members and wives.

We recommended that MBA become a part of the Expanded Church Annuity plan, effective 1/1/88.

Recommended that MBA join with First Baptist Church in opposing any change in the present policy prohibiting the on premises sale of alcoholic beverages in Franklin.

We would like to express our appreciation to the Executive Board of Macon Baptist Association for the Christian cooperation they have shown as we have worked together to uplift and evangelize our association for Christ.

Respectfully Submitted in His Love,
Rev. Tommy Lamb, Chairman

AMERICAN BIBLE SOCIETY REPORT

The support of the Southern Baptist Convention given to the Bible cause is a blessing from God, and a source of encouragement to us.

Progress was made in the areas of distribution and translation during 1985. Calls for Bibles and New Testaments in local languages came from all quarters of the globe, but especially from churches in the third world. Through the United Bible Societies we are supporting Scripture translation work in 544 different languages around the world.

Much work is being done in translating the New Testament, individual Gospels and other books of the Bible for evangelistic outreach in a great number of languages.

Stories of the transforming power of the Scriptures in people's lives pour in from around the world.

At both the national and international level, new horizons have opened as generosity carried the Good News of Jesus Christ, in the form of urgently needed Scriptures, "to the ends of the earth."

The Bible Cause Abroad:

In Uganda, no other books is in as much demand as the Bible. An estimated 652,506 Scriptures were distributed in 1985, many of them to children and youth.

Ethiopia, the Bible is still a prized possession, 132,918 Scriptures were distributed in 1985, in spite of the restrictions and custom delays.

Bolivia, caught in the throes of economic and political crisis, the Bible is a source of hope. A land of six million inhabitants, many copies of Scripture were distributed last year.

Mexico, Bible work was reshaped by the earthquake which struck Mexico City in September, claiming thousands of lives. An emergency Scripture distribution program was established to reach families of victims with the Word of God.

Phillipines, where there are 7,107 islands and approximately 135 languages are spoken, a high priority was given to Scripture translation. During 1985 10,333,350 Scriptures were distributed.

Brazil, Scripture distribution during 1985 was 83,773,751. Special efforts were made to reach out with God's Word to the old, the sick, invalids, prisoners and the very poor.

The Bible Cause At Home:

United States, 96,222,967 Scriptures were distributed nationwide. For the Home Mission Board of the SBC 100,000 copies in ten languages of the Gospel of John entitled "Good News America, God Loves You".

The translation and publication of the first-ever Bible in the language of the Navajo Indian, the largest native language group in North America.

Scriptures were shared with members of all branches of the armed forces stationed at home and US military bases abroad, also to the homeless, elderly, hospitalized, prisoners, inner city youth, refugees and special pastoral care.

In every aspect of our world program, millions of requests for Scriptures remain unmet due to lack of funds. It is crucial that American churches respond generously to these needs.

ANNUITY BOARD REPORT

"1985 was an extraordinary year of growth and achievement at the Annuity Board. This phenomenal growth is a commentary on the vitality of the churches and agencies of the convention. Quite frankly, this is the basis for an almost unlimited optimism for growth and vitality", said Darold Morgan.

Key statistical highlights in 1985 included:

1. Total assets managed by the Board as of December 31, 1985, grew to $1,689,798,415, and increase of more than $250 million over 1984.
2. A total of $43,747,325 was paid in retirement benefits to 15,127 annuitants.

CAMPUS MINISTRIES

North Carolina Baptists have some form of ministry on 47 college or university campuses, including Western Carolina University.

During the 1985-86 school year, students in Baptist Student Unions and on Baptist campuses pledged and raised nearly $50,000 for missions and ministry all around the world. A total of 150 students are working in the state this summer as summer missionaries - six students from Western are working in the state or

with the Home Mission Board.

Special conferences for International Students, campus evangelism training, High School Seniors, Caraway leadership event, and a fall Baptist Student Convention involved over a thousand young people in Christian growth and challenge to stewardship life.

Teams of students from B.S.U.'s all across the state led worships, youth revivals, sang or ministered in hundreds of North Carolina churches. Students, under the leadership of ministers employed by your Cooperative Program dollars are growing and sharing their faith because you care enough to provide Baptist Campus Ministry!

In God's love, thank you, North Carolina Baptists.

Campus Minister, WCU

CHRISTIAN LIFE COMMISSION

The Christian Life Commission is grateful for another year marked by significant gains in several areas of its ministry on behalf of Southern Baptists. A wide range of program activities have helped Baptists practice Christian ethics in family life, race relations, citizenship, daily work, and numerous moral concerns. The agency has had many opportunities to work with other Southern Baptist agencies, thereby increasing its usefullness to Southern Baptist churches and people.

A close and effective working relationship has been maintainted with Christian Life Committees in associations and in local churches. Christian Life Committees in churches now number a record 1,525. Working relationships with State Baptist Conventions have been strengthened. This includes state conventions with full-time workers with state Christian Life Commissions (or the equivalent) and others with active Christian Life Committees without full-time paid workers.

The Commission has provided support materials for special emphasis days related to ethics on the Southern Baptist calendar. Bible-based themes, articles and art work accompany the copy related to sanctity of human life, race relations, Christian citizenship, peace with justice, and world hunger.

A national seminar dealt with "Applying the Gospel in the Local Church", in 1985, and on "Recovering Moral Values" in 1986. Other conferences related to applied Christianity dealt with topics such as moral problems and youth, gambling, hunger, apartheid, and peace with justice while still other conferences focused on training and strategy.

The cause of applied Christianity was expanded through the production and distribution of literature, study guides, audio and video tapes, and other resources. A new "Help for Families" series included four new videotapes and fifteen new or updated phamphlets. The new videotapes deal with pornography, divorce, television, and changing roles in marriage.

The Christian Life Commission has the primary responsibility for education and action related to hunger. Wide distribution of the 1985-1986 Hunger Awareness/Action Guide helped Southern Baptists to reach a new high in their gifts for hunger relief.

Hunger gifts for 1985 totaled $11,830,146. The Foreign Mission Board received $10,625,897 for hunger ministries abroad and $1,204,249 went to the Home Mission Board for domestic hunger.

The Commission's primary publication in support of applied Christianity is LIGHT. During the past year circulation topped 18,000, and there has been exceptionally good response and support from a wide cross-section of LIGHT readers.

In reviewing the past year, the Christian Life Commission is encouraged and faces the future with faith, hope, and renewed committment.

COOPERATIVE PROGRAM REPORT

What is unique about Southern Baptists?

What has enabled locally controlled Southern Baptist congregations to proclaim the Gospel of Jesus Christ at home, across America, and around the world?

The only real bond that holds us together as independent, autonomous Southern Baptist congregations is our voluntary support of the Cooperative Program.

Ask the Nigerian native whose pagan religion has been replaced by the living presence of Christ.

Ask the South Korean young person if he's happy to have the choice of attending a Southern Baptist church.

Ask a former alcoholic in New York, or members of new Southern Baptist churches in America's far west, if they're glad we reached out.

Ask the children at Broyhill or any of the North Carolina Baptist Children's Homes if they're glad Christian people reached out to meet their needs.

Ask the un-wed mother in Asheville, a patient in a Baptist hospital, a retiree in a Baptist retirement home. Ask a student at one of North Carolina's Baptist schools or one of the six seminaries. Ask these and countless others what their alternatives would have been without the loving outreach of Southern Baptist through the Cooperative Program.

Ask God to bless and multiply your gifts to the Cooperative Program. Ask Him to give wisdom to our leaders so that these voluntarily shared resources can reach the souls and everyday needs of the most people.

Most importantly, right now, ask yourself if your church is giving as it should to the Cooperative Program. Churches that turn inward more often than not will die.

But Southern Baptists are growing. Because we love our people - we love the unsaved - we try to meet the needs of hurting people - we preach the Gospel. Jesus commanded us to reach out unto the uttermost parts of the earth. Southern Baptists have created an incredibly effective means of doing just that: The Cooperative Program.

Your church's giving should never be a test of fellowship or bragging point as Southern Baptists. But it may very well

be a test of your congregation's willingness to obey God and obey the mandate of the Great Commission.

Look at this report. These numbers represent dollars which represent real people being reached in the name of Jesus.

What do these numbers say about your church ...?

Thirty-four out of the 45 Macon County Southern Baptist churches give to the Cooperative Program in general gifts and/or designated gifts. Thirty-two of our churches have given $66,568.20 from January 1, 1986 through June 30, 1986. This indicated regular giving through a church budget on the part of 32 of our churches.

DIRECTOR OF MISSIONS' REPORT

Let me begin by saying, "Thank you" Macon Baptists for making it possible for me to serve God and you in the capacity of Director of Missions.

We appreciate all who helped in the building of the "project mission house", through the Macon Program for Progress. The Bryson's were able to move into their home in January, 1986.

We thank God for the churches that participated in "Good News America, God Loves You" revivals. We were sorry all 45 churches did not participate - with as much publicity and concentration given through the news media on a unified effort throughout the Southern Baptist Convention.

Apart from regular duties, I have been involved in excavating for the house site of Moody Farm Ministry in getting ready for the building that began in June 1986. Also, I have been involved with the Brotherhood in the project for growing vegetables for the Children's Home and Home for the Aged. We're still planning and working on the mission in the Middle Creek section, in the southern part of Macon County.

I was priviledge to lead a team to Richmond, Virginia to work on a new mission church in May 1986.

Friends, the reason for the existence of our association is to "Do Together What We Cannot Do Alone", in fulfilling the Great Commission individually and corporately. We need faithful workers during these perlious times, faithful to Bible Study and prayer, faithful to meetings, faithful to the office or place given you to serve. Our Gospel message does not change but Robert Dale said, "Christianity is only one generation away from extinction. We must not, we cannot fail to meet the challenge of the church and go out to win the lost to Christ and take the Gospel to the world. Let's grow toward a greater faithfulness! Also, let's be a good steward for achieving our mission. I encourage each church to give to the Cooperative Program, the life-line in our mission work of Southern Baptists. The largest per-cent of the CP dollar goes to Foreign Missions then Home and State Missions. At the Southern Baptist Convention in Atlanta we saw a film on China where seed planted there by Southern Baptists before the church doors

closed, the growth now in simple Christianity in telling the Gospel story.

Someone has said life is not like it use to be, we can learn from the past but we can't live in it. What does God want of the people and churches today? Let's pray that God will give us the vision for the work to be done in the times in which we live. "Without a vision the people perish" ... Proverbs 29:18. Also that we be faithful to the vision and the task of promoting the Gospel locally, home land and to the world.

Thank you for your continued support and prayers, without them we could not accomplish anything for our Lords work. These are hard days but you know the saying, when the way gets tough, the tough gets -going. Folks we need to get going for our Lord in spreading the Gospel. Be strong and of Good Courage, regardless of what happens Trust Jesus and lean upon Him. Let's have the forward look and when Jesus Christ says march, let's be ready.

FRUITLAND BAPTIST BIBLE INSTITUTE

North Carolina Baptist must be grateful for Fruitland Baptist Bible Institute, for the school has produced many leaders for our denomination and country. The distinctive purpose is to provide training for adults called to a church related vocation. Anyone who can be recommended by his or her home church will be accepted. No one will be rejected because of a limited educational background. The school operates year around with a new quarter beginning the first Tuesday in January, April, July, and October.

The school now offers the Advanced Diploma for all graduates who will complete sixteen seminars. The school has had two seminars this ummer and will have another September 23-26. This is the last one planned for this summer.

The financial support of Fruitland Baptist Bible Institute comes through the Cooperative Program, North Carolina Missions Offering, student fees and direct gifts by churches and friends of Fruitland.

Fruitland Baptist Bible Institute is not a college nor a seminary, and has no intentions of becoming either. It is owned and operated by the Baptist State Convention of North Carolina and is affiliated with the Education Commission of the Southern Baptist Convention.

SUNDAY SCHOOL REPORT

Did you know that the first Sunday SChools were chased out of churches? In 1817 one church called Sunday School a "desecration of the Sabbath."

Today Sunday SChool is the major Bible teaching and Outreach arm of the church.

In Macon County we have 45 Sunday Schools with 4,619 people enrolled. In the past year we have concluded a campaign across our nation to enroll 8.5 million people in Sunday SChool by 1985. September 1985, brought a High Attendance/Enrollment Sunday to Macon County with 45 churches in our Association reporting attendance. The total number of people in Bible Study in Macon County on that Sunday was 2,799.

In June 1986, the Sunday School Directors met for Key Leadership Conference at First Baptist Church. Those attending were: Doug Huntley, Wells Grove; Zena Pearl Brodgen, Cowee; Bill Lowe, Shortoff; Gene Pickens and J. B. Snyder, Ridgecrest.

1986-87 is the beginning of a new challenge for Sunday Schools. Challenge 10/90 is a goal to reach 10 million persons for Bible Study by 1990. What would God have your church to do to help reach this goal?

August 23rd will bring a special training session for Outreach Bible Study. This is a short term (8weeks) Bible teaching-learning opportunity for unsaved youth and adults not enrolled in Sunday SChool. Outreach Bible Study meets weekly and can be started at any time during the year. Ideally, this opportunity is offered at other times and places than on Sunday morning at the church building. Plan to learn more about this outreach evangelism tool on Saturday, August 23rd at First Baptist Church.

September 19-20, 1986, will bring a Special Fall Leadership Conference at Ridgecrest. It is designed to help teachers of all age groups and is open to anyone who wishes to attend. Training is not costly for Sunday SChool leaders and it can be a worthwhile investment.

Sunday School ministers to members. Sunday School reaches out to the lost with the Word of God. Support your Sunday School with your time, talents, and prayers. You will be investing in the Kingdom of God.

Janet Long, Sunday School Director

BAPTIST CHILDREN'S HOMES'

The Centennial Year for the Baptist Children's Homes of NC was concluded with an exciting, informative and inspiring day on November 11, 1985. The exciting words of Dr. Blackwell, in behalf of staff, children and trustees, renewed the commitment to continue fulfilling the mission and broad purpose of this child caring ministry.

The mission is to care for dependent, neglected, homeless and troubled children; unwed mothers and their children; and the rendering of related services to the relatives. Services are directed toward the preservation, conservation and rehabilitation of families to avoid, wherever possible, the placement of the child away from home.

In our one hundredth and first year of child care, more than 1,500 children were served. From this group of children/youthmany had no religious affiliations when admitted to our care. Our pastors baptized more than twenty-five youth into the fellowship of the local church.

The New Homes & Hospital Offering, approved by the Convention last November, claimed the attention of our staff during the first five months of 1986. The offering was received in May with fifty percent of that which was received going to the Children's Homes, twenty-five percent to the Hospital and Retirement Homes.

Update/Western Area: The happy news from the west is that construction has begun on the Moody Farm Cottage, located in the Iotla Valley of Macon County.

Mary and GAry Bruin, experienced child care workers on the Mills Home staff for nine years, have accepted the responsibility of giving leadership as directors of the Moody Farm Ministries.

Special appreciation is expressed to our Western-Area child care and social workers who serve so faithfully. The facilities have operated at near capacity throughout the year. The children served have mostly been those who call for extra measures of strength, wisdom and love. The words, "Care Finds a Way" truly apply to these wonderful servants of our Lord.

BAPTIST RETIREMENT HOMES

The Baptist Retirement Homes of NC has sought to create a broader awarness of its services across the state in recognition of the increased proportion of adults now 65 or older.

The size of the Senior ADult population in the next decade is expected to require significant expansion of existing services. Consideration is being given to the construction of Continuing Care Communities in Asheville and Charlotte and to the renovation of the campus in Winston-Salem.

The following facts and figures highlight the achievements of the Baptist RH from August 1985 through June 1986:

- Sound financial management again elimated the need to increase residental fees.
- Over $900,000 of benevolent care was provided to residents.
- Of a projected 3.4 million dollar budget, the Cooperative Program and Homes and Hospital Offering provided $785,000.
- Over 40 new residents were admitted to the Homes and Nursing Care.
- Construction and renovation of seven new housing units was completed in Willow Cove on the Winston-Salem campus.
- Bill Stillerman became the new president of the Homes.
- Jack Hoyle was appointed Vice-President.
- Carolyn Bunting was appointed Assistant to the President.
- Jim Saul was appointed Assistant to the President for Personnel.
- Don Peiffer was appointed Assistant to the President for Business Affair.

- A Video tape, "Not An Ordinary Person," produced by the Homes, won the M. E. Dodd Award for Video & Film Productions.
- Residential and apartment living remain available. Request should be made through the Assistant to the President.

EVANGELISM

It was good to see twenty-eight of our Churches participating in the simultaneous Crusade, "Good New America, God Loves You". I believe this Crusade made a great impact on our nation. In these trouble days we live in, there needs to go out across our nation, the news that Jesus Christ is the only answer to the dilemma in which we find ourselves. I believe that God has many great things in store for our nation, but these things will only take place as we give and dedicate ourselves to Him.

I attended the Leadership Conference on Evangelism at Ridgecrest this year. Our conferences dealth with different target groups. These Conferences dealth with the ethinic group, singles and child conversion. My heart was burdened as I listened to many facts and figures that came out of these conferences. Sometimes we get caught up in our own little world until we forget that the work of Christ is world-wide.

Let's pray much for our nation this year. Pray for our Associational work and do all that we can to make it a great Association for God. Let's work while it is day, before night cometh when no one shall work.

Respectfully submitted,
J. C. Fuller

TRUETT CAMP REPORT

We are in the midst of regular camping season at Truett Baptist Camp. We have just completed three wonderful weeks of our Girls' Camp nine rededications out of 136 girls present.

Kay Frazier and Beth Lolly were Program Directors this year and did a fantastic job.

We have had no major break downs so far this year.

Financing of the Dinning Hall Building Project is looking very good and we ask for your continued support and prayers in this matter. Hopefully the building will begin in September of this year.

Our Music Week will be led by J. Gilbert this year and we are looking forward to a successful week as we had last year. This is a good week for our boys and girls throughout the region.

Our RA Camp will be led by Johnny Forrister and we are hoping for better attendance this year than last.

Pray with us in the matter of interest rising in the region for our RA weeks ahead.

We wish to thank this association and all the churches in Region 10 for their continued prayers and support for Truett Camp.

This is your camp and our prayer is that we will continue to minister to the needs of all our people in the days ahead.

NORTH CAROLINA BAPTIST HOSPITAL

During the past year, Baptist Hospital admitted 23,535 patients for a total of 195,243 days of patient care. These patients came from all across North Carolina, from 31 other states and the District of Columbia. Eight patients came from outside the United States. An additional 252,043 ambulatory patients were seen in the outpatient clinics and the emergency department.

These people came to Baptist Hospital because it has the medical expertise and the technical equipment required to provide the tertiary health care they needed. For example, Baptist Hospital surgeons succesfully removed a relatively rare tumor from the interior surface of a woman's heart. Plastic surgeons were able to remove scar tissue and restore hair growth for a child who lost 40% of her hair-bearing scalp in a kitchen fire. Around-the-clock efforts of surgeons saved the lives of 9 young people who drank potasium hydroxide (lye) thinking it was wine.

Carbon dioxide laser is now being used to treat some cases early cancer of vocal cords, usually leaving patients with normal or near normal speech. Four types of lasers are used in treating problems of the eye.

A new lithotripter uses high energy shock waves to break up large kidney stones. This alternative to surgery saves money, pain and recovery time for many patients. Most patients can be

discharged the day after treatment and can return to work within a week after therapy.

During the past year, the medical center has begun an emergency helicopter service to transport victims of trauma to the hospital more rapidly and also to transfer patients from one hospital to another. The helicopter not only provides faster transporation but is equiped and staffed to provide emergency care for patients while they are in transit.

The School of Pastoral Care continues its outreach through its satellite centers in Fayetteville, Morganton and Charlotte with opportunities also in other communities such as North Wilkesboro, Lenoir, Asheville and Rockingham. (The Raleigh center has become independent). These centers, together with the one in Winston-Salem, provided 24,553 hours of counseling during the past year. Chaplains in the hospital made 56,460 visits with patients, families and employees. The School of Pastoral Care provided clinical pastoral education to 694 ministers and trainees through a total of 71 CPE programs.

The medical center's $150 million facilities expansion program is on schedule and within budget. New facilities will include a new patient tower, a new clinical services building, an addition to the research facilities and a building to house the magnetic resonance imaging scanner.

During the past fiscal year, Baptist churches of North Carolina gave $566,307 through the Cooperative Program and $374,238 through the North Carolina Missions Offering. These gifts help make possible two of the distinctive ministries of the hospital: pastoral care and benevolent care. For these, the staff and the patients are most grateful to North Carolina Baptists.

Marshall Fouts

FOREIGN MISSION REPORT

We as a missions committed denomination can be proud of our vision, our committed people and their unmatched limitless energies. 1985 was a year when many were asking where do you turn when your world falls in?

1985 was a year for rebuilding, taking on programs, and getting life back together again, a few examples were: Mexico saw their homes, business, hospitals tumble in an earthquake; Columbians lost a city to tons of mud; Africans and others are still being ravaged by starvation and bloodshed. The recent escalation of global turmoil and terrorist activity is a reminder that we live and serve in a world of hatred and sin at its worst. If we have been there we have sought to minister in both spiritual and physical ways. Some highlights of our work are: Last year 158,626 people were saved and baptized. That's one baptism for every 121 church members. (Last year SBC average was one for every 41 members.) The nember of grew to 32,969; we gave $64.7 million dollars to the Lottie Moon Christmas Offering; we gave $4.10 per Southern Baptist member to the Cooperative Program. There has been an increase in these gifts over our convention.

The number countries served by Southern Baptist missionaries increased from 105 to 106. Missionaries entered two additional countries; 42 people named missionaries by Foreign Mission Board in February 1986. Four of these have ties to North Carolina; April 11, 1986, 69 people were appointed as missionaries by Foreign Mission Board - two couples are from North Carolina.

Southern Baptist gave $11.8 million dollars to world wide hunger relief. This was divided between 40 countries.

A record of 427 persons were named for missionary service. The need for "preacher missionaries" continues to be at the top of the list for personal requests.

A record 6,759 served as short term volunteers. Many were involved in hunger projects, but the majority were working in direct evangelism. Carolinians working with Togo were among this number.

More than 18,000 students were enrolled in Seminaries or Theological Education by extension.

World Missions Conferences grew, and had better participation in twenty years, totaling 176 different conferences.

At Ridgecrest, N. C. a global consulation was held with Baptist leaders from all over the world. They were discussing how to better reach the world for Christ, and how to use the worlds people to accomplish our BOLD Mission Thrust, through the resources they could provide.

Established by the Southern Convention in 1845, the Foreign Mission Board is the overseas missions channel for Southern Baptist churches and directs the work of more than 3,600 missionaries assigned to 106 countries. The churches support this ministry through the Cooperative Program and the Lottie Moon Christmas Offering.

We are the largest denominational evangelical mission force in the world today. We also have the largest United States based career foreign missionary force in the world today.

The COMMISSION is our Foreign Missions magazine and focuses on today's application of the "Great Commission" of our Lord Jesus Christ as it is carried out by Southern Baptist and fellow believers worldwide.

Our Foreign Mission Board President, R. Keith Parks, says, "Lives were changed in 1985 - some of the lost were saved, homeless found homes, the lonely found families, the unloved found love, God's love, and our visions were expanded as we saw anew how Southern Baptist can be used by God to make an even greater impact on the world's people. It was a stepping-stone to a new stage in missions, a new level of reaching out to the people of the world in Jesus name."

NORTH CAROLINA BAPTIST FOUNDATION REPORT

The purpose and objective of the Baptist Foundation has been, from the date of its incorporation and by the terms of its charter, to assist individual Baptists to find ways of continuing their support of all Baptist causes - institutions,

agencies, mission causes - with estate and deferred gifts. As a result, trust funds are now administered which benefit local churches, associations, specific mission objects and offerings, and every agency, school, and institutions supported by Baptists.

In 1985, North Carolina Baptists placed over one million dollars in new trust agreements with the Foundation, making provision for the perpetual support of practically every Baptist cause. Endowment of Cooperative Program was a primary trust designation.

The Foundation seeks to inform Baptist people of: 1. Their responsibility as stewards to make provision for the future use of their resources. 2. The critical need esperienced by all Baptist causes for endowment support. 3. Ways by which these realities may be met and accomplished. 4. Counsel in wise decisions for endowing any Baptist cause - for instance, the Foundation may discourage a trust for a cemetery fund if the church already receives more funds than are needed to maintain that cemetery.

Specifically, the local church may be benefited in these ways: 1; Members are encouraged to name local churches in their Wills. 2. The church may receive real estate in a Life Estate agreement. 3. Appreciated property and securities can be transferred into a trust which can benefit the individual and the church. 4. The Foundation assists churches in establishing their own endowment, memorials, or Planned Giving committees, then works with the committee to promote estate stewardship among the people. 5. Local churches are now investing special funds which they hold for some future cause, with the Foundation for loans to new churches, to associations to purchase property for new churches, etc. 6. Local churches may be named beneficiary and owner of insurance policies, or the church may be named co-beneficiary. 7. Churches now receive trust income from individual trusts administered by the Foundation for various causes.

In summary, every cause the church promotes and supports can be endowed for perpetual and "forever" support. The Foundation's role is to help the church, church members, and congregations find the best ways to do so.

HISTORY OF MOUNT HOPE BAPTIST CHURCH

Mount Hope Baptist Church was organized September 21, 1886 with Rev. I.D. Wright and Rev. Samuel Harrington appointed to organize the church. The land was donated by Mr. Alfred Slagle and the congregation met in the Poplar Cove Schoolhouse while the building was being built. The first building faced up Cartoogechaye Creek, since the highway originally ran between the church site and the creek. In the early 1900's, this building burnt down. Another was built on the same spot. In 1944, this building was torn down and the present one built. This building was remodeled in 1959. A parsonage was built in 1957. The church building was again remodeled and expanded in 1973. In 1985, new classrooms and new restrooms were added.

Through the years, Mount Hope Church has provided this community and county with many good preachers, teachers, and singers. This year, 1986, will mark the 100th year. We plan to do a complete book form, ready in September, '86, of all preachers, missionaries, teachers,etc., to come from this congregation. "Where we have been, where we are, and where we are going", will be the theme of our 100 year celebration.

STATE MISSIONS REPORT

The church is God's primary agency for missions. The church's mission is to carry out Christ's mission, "as my Father hath sent me, even so send I you." (John 210:21)

The church's mission is to make Jesus Christ known by addressing new frontiers of need and opportunity, presenting the gospel to all people of the world with the purpose of leading them to a personal faith in Christ and obedience to His will. (Development Newsletter)

State Missions work in North Carolina has been fulfilling this mission mandate. Our State Missions Offering Goal for 1986 is $ 1,125,00. This offering supports Baptist Homes for the Elderly. Children's Homes, Special Ministries, Baptist Hospital, and colleges.

In presenting the Gospel to all the people, Southern Baptist in North Carolina participated in the campaign of simultaneous revivals across the state "Good News America, God Loves You." In the Macon Baptist Association twenty-eight of our churches participated in the Good News revival with many decisions made for Christ.

In addressing new frontiers of need North Carolina Baptist are still working in Togo, Africa, ministering to the needs of the people and sharing the Gospel with them.

Jesus said, "Pray ye the Lord of the harvest, that He will send forth laborers into His harvest.

Ronnie Boone, Assoc. SM Repr.

HOME MISSIONS REPORT

The Home Mission Board has a personal staff of 3,636 working full time with the assistance of 49,000 volunteers who work in 491 different fields of service in fifty states.

Last year they reported 67,793 professions of faith in Jesus Christ as Savior. The churches realized 32,852 additions as a result of Home Mission efforts. There were 4,586 answers to the call for special service.

The Annie Armstrong Easter Offering for Home Missions was a record Twenty-four million plus dollars. To God be the Glory.

The emphasis this year was in evangelism with the "Good News America, God Loves You" simulataneous revivals. Reports indicate participation throughout the Nation with far reaching results.

Let us always remember I Corinthians 15:58 "...for as much as ye know that your labor is not in vain in the Lord."

Steve Reeves

BIBLICAL RECORDER

In a year that has been marked by tragedy, stress and disappointment, the people of God who call themselves North Carolina Baptists continue to witness and minister to our ever growing and changing state. The Biblical REcorder is a vital part of that Baptist family.

Readership of the paper is high. Communications with the Recorder indicate Baptists read the paper. That was the purpose of the paper when it was founded in 1833 and remains a more important ministry now than even then.

Tar Hell Baptists are on the threshold of the greatest opportunity we have ever been given by God for witness and ministry in our state. That does not mean it will be easy. The rising spirit of secularism make our task more difficult but at the same time much more imperative than ever. We must not fail.

Well-informed Baptists are more effective Baptists. The Recorder welcomes its assignment in sharing the Good News of Christ. This year, we had a tremendous opportunity through the "Good News America, God Loves You" revivals and the paper was on the job, promoting and reporting the crusades. The Recorder will seek to inform, indoctrinate, enlist, inspire and provide a forum for Baptist thought and action as we work together to achieve God's purpose for us.

Despite a tremendous increase (96,000) in the cost of second-class postage during 1986, subscription rates will not be raised for the fifth consecutive year. The directors of our paper have been working with the editor to find a way to avoid any increase so that our churches and individuals can continue to get the paper at the lowest possible cost.

The rates are: Church Budget Plan, $5.00 per subscription for every resident family; Club Plan (four or more), $6.00; and Individuals, $7.00. If your church does not have the Every Family Plan, special introductory offers are available. Please contact: The Biblical Recorder, Raleigh, NC 27609.

Let us pray and work together for the advancement of Christ"s Kingdom as never before. Thank you for your support.

Respectfully submitted,
Jean Farmer, Assoc. Representative

NORTH CAROLINA BAPTIST COLLEGE REPORT - 1986

North Carolina is a recognized leader in Christian higher education. Baptists have established and supported seven colleges for a cumulative total of 786 years. Leaders who formed the Baptist State Convention in 1830 did so with founding a college in mind. Baptists and their colleges have grown up together in North Carolina. The histories of the Convention, the churches and the colleges are inseparably intertwined.

The "roll call" of colleges and a brief mention of current items of interest and concern, are listed:

Campbell - During 1986 observed the centennial year, using a theme "A Century of Vision and Service." The new School of Pharmacy will open in the fall, and a School of Education has been established for graduate studies.

Chowan - Enjoys a national reputation as a two year institution of high quality. President Bruce Whitaker was named as one of the most effective chief college administrators in the nation. Chowan is engaged in a four million dollar campaign for additional student aid, scholarship assistance and program support.

Gardner-Webb - May 31, 1986, Dr. Craven Williams completed his tenure as president, begun in July, 1976. June 1, Dr. Christopher White, Vice President of Elon College, became the 10th president. Included in its many educational programs are assistance for deaf and blind students who wish to earn a college degree.

Mars Hill - A comprehensive revision of the General Studies curriculum, to be implmented in these are the centrality of Christian faith, morals and purposeful life, responsible citizenship and the value of work. Scholarships to attract superior students continues to be a major emphasis.

Meredith - "Through instruction" and "culture made perfect through the religion of Jesus Christ" are central to the college mission. Extensiv studies during 1986 resulted in a reaffirmation of Meredith's commitment to education for women in both undergraduate and graduate programs. Construction of the Gaddy-Hamrick Art Center was begun in June.

Wake Forest - Conversations continue between Convention leaders and university trustees to clarify the basis for a continuing relationship. Founded in 1834 by North Carolina Baptists, Wake Forest is acknowledged as a superior university among church-related schools in the nation.

Wingate - Looking toward its one hundreth anniversary in 1995, the college has entered a 10-year, 30 million dollar "Second Century: Vision for Excellence" campaign. Numerous building, renovation and beautifications projects are planned, in addition to library expansion, faculty support and student financial aid.

TRUSTEES REPORT

Through the cooperation of the Macon Baptist Association, the Trustees of the Association have acquired the option on the land that Mrs. West wanted to give to the Association. This has enabled the Association to have a clear deed for the land.

On June 28, 1986, Max Gladwell and Cecil Frady presented a plaque from the Macon Baptist Association to Mrs. Dorothy West for the second generous donation of land to the Association.

We have also signed a release on the other parcel of land involved in the option, thus enabling Mrs. West to sell it.

We thank you for helping us carry out this portion of God's work.

VACATION BIBLE SCHOOL REPORT

On February 24, 1986, a Vacation Bible School Early Planning Clinic was held at the Macon Baptist Associational House for VBS Directors and Pastors. The importance of the clinic was to stress the need for early planning in VBS and to inform the directors and pastors of their duties and responsibilities.

On March 13, 1986, the Association Team consisting of nine people from Macon County attended the all-day conference in Asheville to prepare to teach our clinic here held in April.

The Associational VBS Clinic was held April 21, 1986 at First Baptist Church in Franklin. We want to commend our Associational Team this year for the outstanding job they did in presenting cirriculum materials and in promoting VBS.

Churches that we recognized at the clinic for their achievements in 1985 were: Distinguished: Aquone, Coweeta, Iotla,

Liberty, Tellico. Advanced: Black Mountain, Faith, Higdonville, Longview, Newman Chapel, Oak Grove, Pine Grove, Ridgecrest, Rose Creek, Walnut Creek. Merit: Burningtown, Clear Creek, Franklin First, Holly Springs, Mount Hope, Oak Dale, Sugarfork.

Out of 45 churches that make up Macon Association, 34 conducted VBS. We had several churches that linked-up with each other to have a Bible School. Longview Baptist Church conducted two Mission VBS and three Backyard Bible Clubs. Overall enrollment was 2,840. Professions of faith 42. New prospects were 766.

Goals set for 1987 are for every church in Macon Association to conduct a VBS, with six churches receiving distinguished recognition, 11 churches receiving advanced recognition, and nine churches receiving merit recognition. Also goals were set for three Mission Vacation Bible Schools and eight Backyard Bible Clubs.

Joyce Tallent, Assoc. VBS Dir.

SEMINARY EXTENSION

Beginning in September 1985, the Macon Association Seminary Extension held a college level course in Luke (N.T. 0172) which was not the usual course of study for the local unit. We traditionally have studied the January Bible Study topic. This year's J.B.S. was Hebrews, and since we had studied that book very recently, we chose to offer the study in Luke. Dr. Harold O. Horne was the teacher. There were eight in attendance. Two (2) of these requested college credit. (Note: The college level course is used each year. However, not all request college credit).

Please be advised it isn't necessary to pursue college credit in order to attend these classes. Simply understand the credit is available. In order to receive credit, the student must enroll in the institution of higher learning. Seminary Extension - neither local nor convention - can do this for you. Mars Hill ordinarily will accept Seminary Extension credits as electives. However, this, too, is at the discretion of the individual institution. If you've taken a course in the past and took the college credit level tests, records are in Seminary Extension files in Nashville. Just request transfer of credit to the institution of your choice.

North Carolina is, according to Dr. Corbin Cooper, NC Seminary Extension Representative, and Dr. Paul Robertson, Director Extension Center Education in Nashville, leading in participation in Seminary Extension. Let's keep up the good work. While our local center may seem small, it is larger than many.

This fall, for the first time, Seminary Extension is offering a course called Clinical Pastoral Training (P.M. 0256). Rev. Howard Willis, the Angel Community Hospital Chaplain, will be teaching. This is a course written and designed by our own

state representative Dr. Corbin Cooper and his staff. It is highly acclaimed and recommended especially for pastors. Every pastor knows the difficulty of knowing what to say and do in case of serious illness in families of his church. This well designed program should be extremely helpful. It has several video tapes and other helps. May I personally encourage 100% participation!

In addition to the Clinical Pastoral Training the local unit will offer the course for the January Bible Study. This year the study will be the Epistle of James. The time we have traditionally met for this course is Tuesday nights from the first Tuesday of September. At the time of this writing this is still the plan - to meet at the Macon Baptist Association office. Rev. Bob Page, pastor of First Baptist Church, will be the teacher. This is a resource for pastors, to be sure, but it is also invaluable to Sunday School teachers and other leaders. If you haven't been participating in this study, please consider attending. Participants consistently sing the praises of the studies we have had in the past.

In Christ,
Alma Stiles Dills
Seminary Extension Director

BROTHERHOOD REPORT

Macon Associational Brotherhood has not been as active as we should have been and I hope next year will be much improved. I am sure things are going on in each church group, but we need to be active as an association Brotherhood, to share ideas and the blessings of our work.

Things are happening in the North Carolina Brotherhood. North Carolina Baptist Men are going to many different areas of the world to work for the Lord. I would like to see Macon Brotherhood take a more active part in this. I would like to see each church send their Brotherhood and R.A. Directors to the North Carolina Brotherhood Convention in Raleigh in November. A trip like this will create interest and be a blessing to each church that sends their directors. I plan to attend and would love come company.

I stand ready to assist your Brotherhood Group in any way I can, please call on me. We need the support of each church in promoting Brotherhood and RA Programs for the Lord's work.

Respectfully submitted,
Oscar H. Asby, Associational
Brotherhood Director

HISTORY OF SUGAR FORK BAPTIST CHURCH

The Sugar Fork Baptist Church was constituted on August 13, 1836, and is one of the oldest established still active in the County.

Meetings were first held in a log building, some say as long ago as 1832, four years before official records were kept.

The second building was a frame structure which was used until 1901. In 1896, after a building committee made the recommendation to the church, part of the existing building was begun. The sanctuary, which is still in use, was made of handmade brick from clay just behind the church. Need for expansion of Sunday School rooms was seen and met in 1950 and again in 1971.

First church officers were Hirom Ledford, Clerk, William Bryson, Treasurer; William Arnold, Deacon; William Bryson, Deacon; and Rev. James Kimzie, pastor from 1836-1840.

Church membership has grown from 22 to over 300, and has a Sunday School enrollment in the top five of the Macon Baptist Association.

Sugar Fork has been the mother church to several churches in the Cullasaja Community. Its cemetery still serves many other fellowships and families besides its own.

The cemetery itself bears witness of its own age by the tombstones which record civil-war soldiers through current wars. Even pre civil war slaves and others whom only the ressurection will make known to us.

Seeing the need for a pastor's home, the church approved the building of a parsonage in the fall of 1978. In September of

1980, the pastor's family moved into the new home and a dedication service was held. The church treasurer, Marie Jennings, read an itemized report to the church and announced it debt free at the time of completion.

Fellowship continues to grow at Sugar Fork and its ministries for the cause of Christ to expand. This gives testimony to the power of Christ through a willing people. It is indeed a blessing and provilege to serve.

On May 25, 1986 the church celebrated its 150th anniversary. To mark the occasion, an eighty-seven page history (hard cover) was compiled, and memorial plates and cups were available.

MACON BAPTIST ASSOCIATION HISTORY 1985-1986

The Eighty-third Annual Meeting of the MBA is scheduled to meet August 14-15, 1986. The first evening session of the 14th will be with Mount Hope Baptist Church. The afternoon and evening session on August 15 with covered dish supper, will be with Sugarfork Baptist Church (Sugarfork will furnish the complete meal). The MBA looks forward to meeting with these sister churches. The last meeting with Mount Hope was 1978 and with Sugarfork in 1981.

Associational meetings to me since early girlhood days brings the grandest and most fond memories of my childhood. In our family it was a "family affair", a time we looked forward to with keen anticipation, for it brought the dearest of friends and relatives together from distant communities to spend the two days and nights in order that we could all make it to the association on time. Of course there was the good cooking and long chats for a most inspiring time.

It was my privilege again, to attend and fellowship with other churches at the MBA Eighty-Second Annual meeting at Iotla and Highlands First on August 15 and 16, 1985. Both sessions were well attended. The Theme "Pray Ye Therefore The Lord of the Harvest ..." Matthew 9:38 was carried throughout both sessions. Emphasis was place on GNA simultaneous revivals to be held in all SBC churches in Spring of 1986. At Iotla evening session by unvnimous vote the 1985 MBA Annual was dedicated to our beloved Rev. Earl Dendy. The Finance and Missions Committee on behalf of the MBA honored and presented DOM Rev. and Mrs. Cecil Frady a check for $2,559.24 as a love gift in recognition of the 15 years they have served our 45 church association. All reports presented were accepted by our messengers. A gift from Dorothy West consisting of 108 ft. frontage of property adjoining present MBA land was accepted. The Missions Committee on behalf of MBA churches expressed appreciation to her for her generosity. Rev. Lester Evans wrapped up a perfect evening bringing the Annual Sermon and benediction. Annual Sermon was on "Remember Who We Are," text from 1st. Peter 2:13-25. The afternoon and evening session at Highlands First fulfilled the spiritual desires of the hearts and minds of all those in attendance. Rev. Lewis Gibson, Pastor warmly welcomed everyone and everyone felt sincerity of his words. Christian fellowship was spontaneous throughout the evening. The Doctrinal Message was brought by Rev. Lewis Gibson taking his text from Daniel 6:12 "Concept of God." Adjournment to the fellowship hall for the evening meal, where the blessings, grace and mercy of our Lord and Savior Jesus Christ were so evident and so abundant - was almost too much for mortal man to comprehend. Thinking in

ones heart only that the whole world should and could share such pleasures, peace and unity - if they only believed. It was apparent the ladies and men of the church did not mind serving us as they so graciously labored in love throughout mealtime to see that all were fed, seated and comfortable. What a feast! The remaining evening session was full of interesting reports. The music and the musical skit by John Mark Parker and Longview church youth was enjoyed by all. The final "Inspirational Message" was brought by Rev. Judson Hall on "Love for the Church and Each Other," text from 3rd John 1-8.

Throughout the 1985-86 MBA year churches have been active and faithful doing their share carrying out the objectives of the association by doing the best we could by cooperating with the NC Baptist State Convention and the Southern Baptist Convention in promoting the causes of our Associational Missions, State Missions, Home Missions and Foreign Missions - while cultivating christian unity and love between all our sister churches for the mutual benefit of all.

Our MBA History is very essential to our association life and ministry. Reviewing the past can give us a sense of hpe and direction. Therefore, it is important that we preserve our heritage. It's good to look back on occasion for as we understand our past we will be more likely to become more involved in effective ministry today and the future. Let's take a glance at MBA involvement efforts this past year... all designed to help the past come alive for us as an individual and for our association as a body!

Steve Reeves invited all Maconians for the "special" day. The church was constituted August 13, 1986, however it is thought that services may have been held in the original log building as long as four years before official records were kept. The first officers of

the church were: Hirom Ledford, Clerk; William Bryson, Treasurer; William Arnold, Deacon; William Bryson, Deacon and Rev. James Kimzie, Pastor 1836 - 1840. Membership has grown from 22 to over 300 present day membership. Sugarfork continues to grow under the capable leadership of Pastor Rev. Steve Reeves. WATAUGA celebrated their 100th Anniversary on Sunday, June 8, 1986 with special services beginning at 10:00 a.m. with the decoration of graves in honor of those who laid the ground work and began the church many years ago. Rev. Frank Reed brought the morning message who had pastored the church several years ago. In 1886, a group of 21 people gathered to begin Watauga Baptist Church. During the next 100 years, two other churches were organized from members of this church. They were Ridgecrest and Holly Springs Baptist. The church began with 21 members to a present day membership of 370. The church continues to grow under the capable leadership of Rev. Roy Lowe.

Baptists have been present in NC more than 260 years and it is no surprise that the above churches in our Association mark major milestones in their Baptist Heritage. It is said in the midst of almost two centuries of local, state, national and world events that churches sometimes fought, but more often what kept them growing and continuing in their search for Christian meaning and service was loyal dedicated pastors, consecrated deacons, faithful members, August revivals, associational meetings, visiting and care of the sick and needy, the teaching of the Bible in Sunday School, the dtudy of Missions in WMU and their genuine love and care for one another.

MBA churches continue to be cooperative in mission endeavors. A glimpse of thse for 1985-86 are: On July 22, 1985 a Sunday School meeting was held at First Baptist with Dr. Roy Smith, Executive Secretary/Treasurer of the NC Baptist State Convention speaking. Emphasis was placed on "From Here to Victory" rally urging MBA churches to prepare for Super Sunday September 29, 1985 by enrolling at least five persons to Sunday School. Enrollment of 4619 was reported with 2799 in attendance for the High Attendance Day. Special music was provided by The Messengers.

The Macon County Revival was held on July 8-14, 1985 at the Fine Arts Building with Rev. Mark Ruthland, President, Trinity Foundation, Inc., bringing the message.

"Youth Music Week" directed by Minister of Music West of Asheville area was held at Camp Truett in July 1985 for youth who have keen musical interest. MBA youth attended the activities.

"Youth Evangelism Week" was conducted at Camp Truett in August 1985 for region X with MBA youth participating. Sponsor was NC Baptist Convention Evangelism Department.

Vacation Bible Schools held during the summer of 1985 reported a combined total of 32 professions of faith and 35 rededications. Buck Creek joined with Pine Grove and Rose Creek joined with Oak Grove - all reporting a wonderful VBS. Since the first VBS began in New York in 1898 it continues to be a major attraction for children in which great Christian values are learned.

The MBA hosted "M" Night on October 28, 1985 at First Baptist with 426 in attendance representing 21 churches, 17

pastors and 19 CT Directors. Wataugs received the banner for the highest attendance with 50 present, Franklin First was runner up with 38 present. Oak Grove received banner for having highest average attendance for the year - 89% and Black Mountain was runner up with 85%. Rev. Bernie Dixon, a chalk artist, pastor and soloist from Andrews was guest speaker.

The Local Mission project house started completed work last fall and the Bryson family moved into their new home at Christmas - their first home.

Waters; Rev. and Mrs. Cecil Frady; Rev.'s Steve Reeves, Arnold Showers, Alton Dendy and Martin Fisher. One item of action by messengers was action on a motion by Rev. J.D. Grant, Pastor of Faith Baptist, instructing the General Board and it's Executive Committee to "reconsider" the employment of Rev. John Bunn of Sylva as Executive Director at Fruitland Bible Institute. The motion was approved. Afterward a Committee was appointed by President William Poe; Roy Hodge, Vice President General Board and Dr. Roy Smith, General Secretary/Treasurer to study the feasibility of agency status for Fruitland. Rev. J. D. Grant was appointed to the Committee.

The MBA WMU along with WMU ladies of NC celebrated the 100th anniversary of service and contribution to missions in the local church homeland and abroad on January 7, 1986. The event was observed by MBA with a special event at Watauga on April 1,1986.

DOM Rev. Cecil Frady along with Brotherhood Director Bucky Asby and other MBA men and boys grew and took cabbages and turnips to area NC Baptist Children's Home and NC Baptist Retirement Homes. The MBA received letters of sincere appreciation for all the good vegetables. Plans are underway to grow more this summer.

Moody Farm Baptist Children's Home Ministry continues to be a unified project throughout our region. Keen interest has been shown by all our area people. The clearing of land began in Fall on the grounds - was completed and excavating began in December. Many volunteer hours of lanor and donated equipment hours went into the porject to date. A well was drilled which produces 85 to 90 gallons of water per minute. Construction began early winter and work continues to progress. Gary and Mary Lewis Bruin who have been child care workers serving at the Home in Thomasville for the past nine years have been promoted to Directors. The home is now scheduled to open around the first of 1987.

In February three churches, First Baptist, Sugarfork, and Iotla were inducted into the Moody Farm Ministries Society through their contribution of $5,000 to the project.

The March Issue of the Biblical Recorder listed two of our churches in our MBA as being in the top 100 in the state in their percentage giving to the Cooperative Program. Higdonville as 24.73%; First Baptist as 23.73%. First Baptist was listed as the 27th of 100 in their dollar amount of $66,891. to Cooperative Program.

Spring of 1986, "Good News America, God Loves You" Revivals were held all across our land with most of our churches participating. The GNA simultaneous revivals were the most prepared event this world has ever known. Mount Hope reported 5 saved and 30 rededications, Faith 1 Baptism, 1 statement and 20 rededications. Tellico 10 rededication, discovered 15 prospects and distributed 50 New Testaments.

A Youth Revival was held at Watauga in April with Rev. Milton Wilbanks of Walhalla, SC speaking. Over 100 were in attendance with ten youth being saved and twelve rededications.

Thursday, May 1 being proclaimed by President Ronald Regan as National Day of Prayer in 1981 was observed by our MBA churches.

A work day was held at Camp Truett on May 2-3 and eight of our people helped paint and repair signs for the Open House which was held May 3. Three of our churches were represented.

On May 8 First Baptist along with First United Methodist and Franklin Presbyterian Church hosted the Jackson Gillman story-teller-mime, and comic for children and adults.

June 10-12, 1986 the following from our MBA attended the SBC meeting in Atlanta: Rev.'s and Mrs.': Wiley Gibson, Wayne Kuykendall; Bill Carpenter; Bob Page; J. D. Grant; Cecil Frady; Rev.'s: Martin Fisher, S. J. Waters, Eddie Stillwell, Harold Horne; Mr. and Mrs.: Kenneth Crawford, Stephen Long, J.C. Jacobs, Norman Gilbert, Rich Wooley; and Jason and Sonya Grant, and Myrtle Talley. Theme this year was, "Love Never Fails."

Five former well known and prominent pastors of MBA churches have gone this associational year from our midst: REV. RUFUS MAYBERRY on July 25, 1985 in Rutherford County. Under Rev. Mayberry's leadership while at Iotla the first VBS was held in 1936. REV. WA.A. "Bill" SORRELLS on December 29, 1985 in Haywood County. REV. W.A. "Andy" CLOER on November 26, 1985 in Macon County. REV. ROBERT L. CLARK on December 25, 1985 in Haywood County. REV. M.I. BROCK on March 8, 1986 in Macon County. These dear humble ones have earned their heavenly awards. Only time will measure the sum of their service, the seeds of their labor was sown with sincere christian love and patience. God has claimed His word through their efforts for throughout our MBA today there are those of us who came to know our Lord and Savior when they served our churches. We shall miss each of them.

As we leave our eighty-second year let's pause and be thankful for the past opportunities allowed us, for the future opportunities to tell others that God made a way to restore all to gellowship and kinship with Him. It's the best message that man can hear! It is our mission to proclaim it! May He be the Lord of all our lives as we follow God's commands to labor in love and unity in our MBA - may we show we care. God's presence has been and will continue to be with us. "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you; and, lo, I am with you alway, even unto the end of the world. Amen" Matthew 28:19-20.

WOMAN'S MISSIONARY UNION

A Century to Celebrate - A Future to Fulfill. We in Macon Association have, with the State of North Carolina, looked back to discover our beginnings, the vision, faith, and wisdom of courageous women whose devoted service laid an enduring foundation for Woman's Missionary Union. On January 8, 1986 we celebrated 100 years of Woman's Missionary Union in North Carolina. We began with a birthday party in each church, remembering some such as Fannie E.S. Heck, first president of NC W.M.U.; Sallie Bailey Jones, first executive secretary.

We looked upward to God thru 100 days of prayer, admitting our need, wanting to do His will seeking to follow where He leads, we also participated in the "Good News God Loves You" simultaneous Revival Crusade.

Woman's Missionary Union is looking forward committing ourselves to wise planning and faithful performance in the continuing Missionary task.

State wide celebration for the past 100 years was held at the State W.M.U. convention in Raleigh on April 17-19, 1986, concluding the 100 days of prayer.

W.M.U. of Macon Association is alert to the needs of our association and around the world. The W.M.U. has reached the recornition of "Distinguished" on the Associational Achievement Guide.

The North Carolina growth theme "Come Grow With Us" touched the leaders of W.M.U. in Macon Association. The churches in the association were recognized by state leaders for growth in both members and organizations for three consecutive years. Also, for an increase in Baptist Women members for the year 1983-84. "To God Be The Glory".

It will take all our efforts to reach the Bold Mission Thrust goal "That the whole world be reached for Jesus by year 2000".

A conference for the church W.M.U. leadership was held September 23, 1985 with 54 in attendance.

The Associational Baptist Women's World Day of Prayer was held at the First Baptist Church with five churches represented and a total of 39 in attendance. An offering was taken for World Alliance.

The Macon Baptist Association W.M.U. participated in a Mission Action project for the in-mates of the Women's Correctional Institute in Raleigh in December. The W.M.U. of North Carolina make up Christmas boxes for 600 inmates there. These are small personal items and also a card telling these women the items came from the W.M.U. of NC. We supplied them with over 300 pair of white tube socks. We pledged 200 pair and went over it. We thank you for your support in this most important project.

In August, 1985 Baptist Young Women had a Spiritual Growth Retreat in Lullwater Inn, with approximately 15 present.

In September of 1985 there was a Mission Friends training session held. There were five churches represented and 11 people present.

This centennial year is a time of re-committment to our W.M.U. task of personal witnessing and sharing the gospel with those around us.

Respectfully submitted,
Dixie M. Shook, W.M.U. Director

EVANGELISM

During the Evangelism Conference at Ridgecrest in May, much emphasis was put on the year of the Laity, (1988-89).

The year of the Laity in Evangelism and Discipleship is an evangelism strategy for reachint people based on Zechariah 4:6, I Corinthians 2:4-5, II Corinthians 5:17-19.

The Year of the Laity in Evangelism and Discipleship is a cooperative effort of the Evangelism Section of the Home Mission Board, the Brotherhood Commission, the Church Training Department of the Sunday School Board and Woman's Missionary Union.

PURPOSE: To awaken the laity of their call and gifts; to deepen believers' personal relationships with Jesus Christ; to equip and develop more effective ministers and witnesses for active ministry in the marketplace and in the church.

PLAN: To involve members in every Southern Baptist Church in the Year of the Laity through personal witnessing, Church renewal, and discipleship training.

PROCESS: To implement the plan through a series of events for adults and youth prior to and during and after the Year of the Laity in Evangelism and Discipleship.

The Year of the Laity in Evangelism and Discipleship will be one of the most important in Southern Baptist Life. What great strides of Evangelism could be made if every person would take seriously the message of Evangelism and Discipleship that represented our Lord's Last Will and Testament--Matthew 28: 19-20.

If we expect to win our state, nation and world to Christ, the total Church must get involved.

God has not only given us the ministry of reconciliation but also the word of reconciliation.

We might also remind ourselves that we live in a state where there are 2½ million lost people and a nation where there are 160 million lost. Let us say with the Apostle Paul, Brethren, my heart's desire and prayer to God for Israel is, that they might be saved.

J. C. Fuller

WOMAN'S MISSIONARY UNION

As we evaluated Woman's Missionary Union of Macon Association over the year 1986-87, we reached Standard on the Associational WMU Achievement Guide. I pray that your achievements have been in keeping with the Commission of our Sovereign Lord to witness and minister to bring all persons to Christ and to glorify God.

The emphasis for 1986-87 "Gifted to Serve-Called to Act" has helped us set goals as identify our gifts.

In July, 1986, the Associational WMU Council attended the Leadership Conference for Associational Officers.

A Leadership Conference for local WMU officers was held in September, 1986.

Thanks for a job well done; your gift to the North Carolina Correctional Center for Women was appreciated very much.

We are proud of the Tellico Baptist Women who organized this year; Oak Grove Baptist Women reorganized; and Holly Springs is prayerfully considering organizing a Baptist Women.

Pray for these new organizations and leaders as they train and lead their churches in Missions.

Respectfully submitted,
Dixie M. Shook, WMU Director

BROTHERHOOD REPORT

Macon Association Brotherhood is pleased to report that we add Newman Chapel to our list of Churches that have a Brotherhood Organization. They organized in June. Thank the Lord for the addition. We hope more Churches will join in this year.

We are pleased to report that in February, a group of Baptist men went with the Association Director to Honduras to help build a church.

In April, a small group of men went to Top Sail Island and worked on a Mission Church. This group included three men from First Baptist, one from Iotla, and one from Mountain Grove and Rev. Frady.

The State Brotherhood Convention will be held in Winston-Salem in November. I would like to have some men go with me this year.

Let's all pray for our Brotherhood.

Respectfully submitted,
Oscar H, Asby, Assoc. B. Dir.

BAPTIST HOSPITAL

During the past year, Baptist Hospital admitted 22,973 patients for a total of 186,321 days of patient care. More than 1,000 of those patients had heart surgery and 27 received kidney transplants. During this period, the hospital also performed its first heart transplant and, as of June 1, 1987, has performed four successful heart transplants.

Approximately 1,000 persons with kidney stones have been treated with the lithotripter. The lithotripter has also been used to break up gallstones. Baptist Hospital was the first hospital in the United States to achieve this success.

The Air Care Program, described as "a flying emergency room staffed with highly trained pilots and flight nurses," continues to save lives and to contribute to more rapid and complete recovery for many victims of trauma. For example, Air Care made it possible for a man whose arm was severed in a hay mowing accident to reach the hospital in time to have his arm reattached.

Baptist Hospital is one of less than a half dozen medical centers in the nation routinely transplanting living bone tissue. A woman underwent this rare procedure to correct an arthritic condition in her hip where her bone tissue had died. Bone tissue with its own blood supply was successfully transplanted from her lower legs to the upper end of the right femur.

In addition to those admitted to the hospital, 30,726 persons were seen in the outpatient clinics, 35,134 in the emergency department, and 196,556 in the Bowman Gray Department of Clinics. 2,747 patients had outpatient surgery.

During the past year, the Pastoral Care Department had continued to provide pastoral services for hospital patients, pastoral counseling, clinical pastoral education, and human enrichments events. In addition, the department, in cooperation with the

Baptist State Convention, has offered the "Pastor's Sabbath" Program at Caraway Conference Center and has provided assistance to more than 100 pastors and their families through the Minister's Care Plan. Plans are being made to offer training in "Conflict Management," "Healing of Corporate Pain," and "Ministry to the Interim Church".

Due to the change in the method and timing of the special offering, Baptist Hospital received during its fiscal year the largest offering from the churches in its history. The last North Carolina Missions Offering in September of 1985 and the first Homes and Hospital Offering in May of 1986, together with designated gifts, brought the hospital a total of $474,662.00. Cooperative Program gifts to the hospital during the same fiscal year was $608,389.00, making our total receipts from the churches $1,083,051.00.

For these gifts and for all other continuing support and help from the Baptist churches, the hospital trustees, staff and patients are deeply grateful.

NORTH CAROLINA BAPTIST COLLEGE REPORT

GARDNER-WEBB, 1905- WINGATE, 1896- MEREDITH, 1891- CAMPBELL, 1887
MARS HILL, 1856- CHOWAN, 1848- WAKE FOREST, 1834

A recent survey sent to more than 24,000 lay persons and pastors in North Carolina, revealed strongly positive attitudes toward Baptist colleges.

The following summary of the survey's conclusions will interest our Baptist people in the chruches and associations.

1. Almost 99 percent of those surveyed said Christian education should remain a high priority in NC Baptist life.
2. More than 80 percent rated NC Baptist colleges as outstanding or good. Ninety-five percent believe the quality of education is equal or superior to an education at a state school
3. The three main strengths of Baptist schools, according to the survey, are the quality of education offered, the Christian commitment of a faculty and the spiritual emphasis on the campus. The overwhelming weakness is the cost.
4. Most said they learned about the colleges through the Biblical Recorder. The opinion was strong, however (65%) that Baptist students do not receive sufficient information about Baptist colleges through the local church.
5. When asked about the percent of Cooperative Program funds for Christian education, 45.5 percent replied the percentage is "Not enough."
6. Respondents to the survey were 29 percent women and 40 percent lay persons. Eighty-four percent were from churches with memberships between 100 and 999.

Such positive attitudes encourage Baptist colleges to excel even more in service and cooperation with Baptist churches.

HISTORY OF FIRST BAPTIST CHURCH

On Saturday, May 4, 1822, a presbytery consisting of Elders Stephen White and Adam Corne met. After prayer and preaching, twenty persons with letters from different churches presented themselves to become members of the new church to be constituted on ten articles of faith. The first pastor was Elder Humphrey Posey; deacons, Thomas Kimsey and James Bryson; clerk, Benjamin Stiles; first trustees, Luke Barnet, Thomas Kimsey and James Poteet.

On February 28, 1829, it was decided to build a new church. A tract of 3 acres and 72 poles were purchased for $11.15 on the south side of White Oak Street.

At the end of the 19th Century our church had become the "Mother" church of seven churches within the county: Cowee, 1828; Coweeta, 1831; Cartoogechaye, 1835; Sugar Fork, 1836; Burningtown, 1839; Mountain Grove, 1867; Watauga, 1886; and a church in or near Dillard, Georgia.

On February 2, 1913, the church began the present full time schedule with preaching service Sunday morning and evening, prayer meeting on Wednesday night and conference on Wednesday night after the first Sunday each month.

On November 30, 1917, a building committee for a new church building was appointed and authorized to select a building site, raise money, and build a "church-house." The first service was held in the new building on April 4, 1920. Dedication and home-coming day was held May 1, 1932.

A new pastorioum was built at a total cost of $4,350. It was dedicated on May 9, 1943. During the dedication service the note was burned indicating payment in full.

On February 24, 1952, plans for a new church were accepted. The church voted on December 28, 1952, to build on the old church site, building educational plant first. A ground-breaking service was held. The church moved into the new building on July 1, 1954. The sanctuary was completed in December, 1963. Dr. W. Thomas Lane, pastor, designated Sunday, May 10, 1964, as "Day of Dedication."

On November 9, 1955, a committee was appointed to study the possibilities of a Sunday School in East Franklin. Officers and teachers were taken from our church and Rev. Thad Dowdle was hired for the summer months. Later a mission was started in West Franklin. Both missions are now churches.

In July of 1975 a tract of land was purchased in the Hemlock Hills section for the construction of a new pastorium. The new pastorium was occupied in July, 1977.

In November 1975 our ministerial staff was expanded to include a full-time Minister of Music and Youth. In January 1983 the ministerial staff was further reorganized and expanded to consist of Pastor, Minister of Music, and Minister of Education and Youth.

In 1984 a tract of land directly north and adjacent to our present building was donated to our church for future development.

Our handicapped ramp was completed in August of 1986. The cost of the ramp, landscaping, marquee and awnings for the educational building was approximately $29,000. These were completed debt free.

THE BIBLICAL RECORDER REPORT

There's good news and bad news!

The bad news is that during 1987 there have been some very embarrassing things happen which hindered the work and witness of Christians across our state, the nation and the world.

The good news is that Baptists have done more, given more and cared more about a lost and needy world than ever before. And it was reported in the Biblical Recorder!

The state Baptist paper for North Carolina always tries to tell it like it is --the good, the bad, the victories and the warts-- with an emphasis on the good because there is so much good being done by our people as they take seriously the Great Commission from our Lord.

Some Baptists are well-informed, some misinformed, some uniformed. The Recorder tries each week to present the news and activities of Baptists so that all will have the opportunity to be the best informed. As our state grows and there are more challenges every day for witness and ministry, our Baptist people need to be at their very best with information and insight into the situations. Never in the history of North Carolina has there been a greater moment for Baptists to make known the Gospel and help people live in the manner of Jesus.

Readership is strong, but we want every reader and subscriber possible so that more Baptists can know the opportunities and

victories within our fellowship. The paper is a bargain -- only $5.00 per year for the Church Budget Plan! For half the price of a first-class postage stamp, the Recorder comes into Baptist homes each week.

For the sixth consecutive year there will be NO INCREASE in the subscription rates. Despite the fact that second-class postage costs went up more than $90,000 in 1987, the Recorder directors have agreed to leave the subscription prices as they are so that the greatest number of Baptists can benefit from the paper at the lowest costs.

If your church does not have the Budget Plan, we urge you to consider it for 1988. Special introductory offers are available. Please contact: The Biblical Recorder, 232 West Millbrook Road, Raleigh, NC 27609. Phone (919) 847-2127.

May God help us all to work together to share the Good News with the world, starting where we are and reaching to the ends of the earth.

Respectfully submitted,
Jean Farmer

RIDGE CREST BAPTIST CHURCH HISTORY

The Ridge Crest Baptist Church was organized October 18, 1925 with a membership of 49, and now has 264 members, 180 of which are resident. The original members were lower Watauga Community residents and broke off from the Watauga Baptist Church. Land for the church was donated by Charles E. Smith.

The original church was a wooden frame structure consisting of an auditorium and three classrooms heated by one wood stove and lighted by oil lights suspended from the ceiling until electricity became available.

A building program begun in the latter part of 1952 resulted in the present brick church being built and dedicated June 7, 1959. The church consisted of an auditorium with classrooms in the basement. Since then a wheel chair ramp has been added and a side building containing a fellowship hall, two classrooms and a storage room.

The following charter members are still living: Jesse Downs, Clyde Downs, Jim Sanders, Bertha Sanders, Dovie Buchanan, Lulu Snyder, Dollie Sellers, and Missouri Buchanan Johnson.

The first pastor was Rev. W. L. Bradley, who served from 1925 through part of 1928. Those following him were Rev. A. S. Solesbee, Rev. N. E. Holden, Rev. R. F. Mayberry, Rev. G. A. Cloer, Rev. C. C. Welch, Rev. R. M. Snyder, Rev. Lee Crawford, Rev. W. K. Shields, Rev. W. N. Cook, Rev. Arvil Swafford, Rev. Thad R. Dowdle, Rev. Paul Sorrells, Rev. Lawson Snyder, Rev. Guy Duvall, Rev. Baptist State Convention of North Carolina Distribution of Funds Through The Cooperative Program

Frank Neville spends most of his time in a wheelchair. But he denies that he is handicapped, and instead has utilized his limited mobility as opportunity to witness. Each day he invites neighbors and acquaintances, one at a time, into his home for coffee, and talks with them about Jesus. He has been thrilled and amazed at their expressions of appreciation for his concern for their spiritual welfare.

Frank's plans have been so prepared as to insure that he will always be a part of winning the lost to Christ. He transferred valuable land into trust with the Baptist Foundation. Until his death, he will receive income earned by the trust. After that time, all income will be paid to Carolina Baptist Association to be used for Spanish mission ministries, and scholarships, etc. Frank Neville, like others who are faithful stewards now, wishes to continue that commitment when he is no longer here.

One imaginative concept employed in several trusts and Wills has been "Give it Twice". A trustor provides that family members receive income earned by the trust until they have received an amount equal to the principal placed in trust. Then, after the family has received the full amount, the income thereafter is paid to Baptist causes selected by the trustor in the trust agreement.

Because of the 1986 tax reform legislation, certain types of trusts have taken on new significance. The Retirement Unitrust has become a vehicle for partially replacing the IRA. This trust is especially attractive for professional persons and others in middle years for supplementing other pension plans.

Many local churches chose to use the Foundation as trustee for funds which they were holding for future needs. Investment of those funds with the Foundation can, in some cases, result in greater income for the church. Conversely, since the funds are pooled and since churches can recall the funds, if they are withdrawn during a depressed market, principal returned to the church could be reduced. It is important that churches recognize that the Foundation's first objective is to assist individuals in estate stewardship. The motivation for using the Foundation must be the making of a gift to a Baptist cause. One realization for the church is that investment through the Foundation allows their funds to be a part of "family" and to be available for "family".

In corporation with the state convention, the Foundation established a credit line of $3,000,000 for church loans. The Board of Directors took action to implement recommendations of its study committee, resulting in addition to the staff of a director of administration to direct the church loan and student loan programs, as well as trust management. The Board also approved construction of office facilities for the Foundation near the Baptist Building, with plans to begin construction in September, 1987.

Assets of the Foundation have increased to more than $13,000,000. These dollars are expressions of concern made by Baptist stewards. They are the very same persons, who like Frank Neville, witness and give daily, that the lost, the needy, the hurting people of the world might know Jesus.

BAPTIST RETIREMENT HOMES REPORT

The year 1986-87 has been an exciting time in the life of the Baptist Retirement Homes of North Carolina, Inc. Charged with the task of providing quality living opportunities for Older Adults within a Christian context, the "Homes" has this year attempted to "move forward" in three broad directions.

I. Advocacy for Older Adults. During 1986-87, the "Homes" has endeavored to become an advocate, a spokesman, for a very special segment of the state's population...the Older Adult. Appearing before church, associational, and convention groups throughout the state, the "Homes" and staff have attempted to sensitize Baptists to the particular needs of Older Adults as well as the significant contribution they can make to the well-being of the churches and associations of the Baptist State Convention.

II. Quality Care. During the year 1986-87, the "Homes" has continued to develop creative ways to meet the needs of Older Adults. For example, a significant new relationship has been established between the "Homes" and the Geriatric Section of the Bowman Gray School of Medicine (Wake Forest University). Mary Lyles, an attending physician in the Department of Medicine, has been appointed the "Homes" Medical Director. As a result of this new relationship, the "Homes" will be able to offer "sub-acute" care as well as intermediate and skilled nursing to its residents and patients.

In an attempt to provide quality care opportunities to Older Adults who still reside in the local community setting, a respite or temporary care program has been begun at the Albemarle Home. Quality care, long the hall-mark of the "Homes" is still the institution's main objective.

III. During 1986-87, plans for institutional expansion and new development have moved forward at a rapid pace. "Ground-breaking" for a new Continuing Care Retirement Community in Winston-Salem will take place in the fall. The Homes' long-range plan includes the development of similar facilities in Asheville, Charlotte, and the East.

The "Good News of Jesus Christ" is the presupposition upon which the "Homes" operates. In reaching out in service to Older Adults, the "Homes" offers concrete expression to the love of the Christ for all people. The support of North Carolina Baptists makes this ministry of love possible.

DIRECTORS OF MISSIONS' REPORT

As I begin this report, I am thinking of the SBC theme and our theme, "To Know Him...and to make Him Known."

We have the greatest opportunity in life to know God through prayer, do we use it as Jesus set the example for us? All things are possible with God, and we need to begin with Him, using this great tool of prayer with faith to unlock many doors in our lives.

Through the prayer of confession we rid ourselves of guilt, making us free to serve Him. Our petitions and intercession for others are made known to Him, and our thankfulness for His blessings, and praise and adoration for all that He is. God

teaches us to be persistent in prayer, and to listen to Him, in submission to His will.

We have the blessed inspired Word of God, that we can know Him through the scripture. II Timothy 3:16-17 "All scripture is given by inspiration of God and is profitable for Doctrine, reproof, correction and instruction in righteousness: That the man may be perfect, throughly furnished unto all good works."

Through His word we can find guidance and it will be a lamp unto our feet, a light unto our path, and hide its words in our heart that we may not sin against Him.

It is important that we believe the word of God because it is Doctrine, and doctrine reproves, and the preached word reproves. The word is sharper than a two edge sword. Through the word one can see that he is wrong and can be corrected. Through his word people desire to be better and through the word can receive instruction. Jesus Christ is our answer, and the answer is found in God's word.

We know Him through God's word and we should share Him. When I was saved May 7, 1948, the first thing I wanted to do was go tell, and I wanted my friends saved. We need that same zeal today to make Him known. There is a lost world and we have the truth and know the way, let's make our lights to shine that we can help others to know the truth and the way.

We have the greatest opportunity to make Him known through our Cooperative Program. The CP is a vehicle to get the gospel to heathen lands and homeland, and yet it is critized so much.

"Southern Baptists are great believers in accountability. Every effort is made on the local, state and national levels to be accountable to the people who give money to do the Lord's work through our churches."

"An Associated Press release revealed recently that the top six leading television ministries received $684 million last year, while Southern Baptists gave about $635 million to support our mission endeavors. The six television ministries supported four schools, 1 hospital, three churches, two ministries to needy children, one to others in need, and one home for unwed mothers. But what did SB do with almost the same amount of money? We helped support over 3,500 foreign missionaries in 107 countries and over 3,700 home missionaries across our nation. We helped to educate over 14,000 students in six seminaries. We supported churches on foreign mission fields which baptized over 140,000 persons last year. We operated a television network (Acts) and carried on a multitude of other ministries and mission causes. Cooperative Program giving within certain states also helped support 52 children's homes, 48 hospitals, 33 nursing homes or homes for the aged, and 67 colleges and universities enrolling 200,000 students." (THE WEST VIRGINIA SOUTHERN BAPTIST)

It has been my heart's desire for almost 17 years to see every church giving to the Cooperative Program in the Macon Baptist Association. It begins with an individual tithing to the church, and the church in turn tithing to the mission program which includes the association, state, nation and to the world. That's how our CP works and we believe it is in obedience to Matthew 28: 19-20.

What we do as SB is Biblical taught, cooperation-doing together what we cannot do alone.

We were privileged to be on foreign fields again this year to build a church and to begin one at Top Sail Island, NC. We

have been involved with the Middle Creek Mission, and the Moody Home Ministry. What a joy to see Moody dream become a reality. I have visited or spoke 111 times in our association and spoke 4 times out of the association. I have attended all meetings in the association, community meetings, meetings of BSC, served on Concerned Citizens Committee, in the fight against the ABC Store, and many other meetings, Chairman of Camp Truett. We have been busy. Thank you for giving me this opportunity to serve my Lord in the MBA.

Our attendance in many associational meetings have been slack. I would like to see us this year to be more faithful to the work and task that the Lord has given us to do. Determine with me to pray more, study the word more, and to make Him known more.

Respectfully submitted,
Cecil M. Frady, DOM, MBA

SUNDAY SCHOOL

A recent edition of the Franklin Press stated that projections show by the year 2010 (23 years from now) Macon County will have pepermanent resident population of 50,000 people.

Currently, Baptist Sunday Schools in Macon County total 45 with under 5,000 enrolled. How many Sunday Schools will we need to begin to reach this influx of people? How will your Sunday School respond to the needs of the people moving into Macon County?

Sunday School brings human needs and Jesus Christ together. Sunday School is TOUCHING LIVES - CHANGING PEOPLE.

Our Associational Sunday Information Support Team is standing ready to help you touch lives and change people through your Sunday School. The Assist Team is there to support you with resources and training; to challenge you to be on mission, reaching and winning the lost to Christ; to listen to your needs. Support this team with prayer, call on them for help, commit yourself to learn and grow as you reach out through your Sunday School.

YOUR ASSIST TEAM MEMBERS ARE: Janet Long, Director; Jim Williamson, Asst. Director; Stephen Long, Adults; Kathryn Jones, Youth; Judy McGuire, Children; Doris Simmons, Preschool.

God is challenging Macon County Baptists. He is providing fields for harvest. He is calling us to a great opportunity for service. What is your response to God's call? What are you willing to do to meet the challenge?

Janet J. Long, Assoc. SS Dir. MBA

HOME MISSIONS REPORT

This has been a year of changes and challenges for The Home Missions Board.

William Tanner resigned after serving for ten years as President. Larry Lewis was elected in April and began to serve as of June. He came to The Home Board from serving as President of the Hanable Lagrange Baptist College.

The Board of Directors also took a historical stand this year voting to no longer provide financial support to women pastors of local churches. This action was taken as a result of what the Board viewed as the opinion of most Southern Baptist concerning women in the ministry.

There are 3,637 missionaries presently serving across this nation. They were instrumental in starting 1,872 missions and 652 new churches. There are 1,831 endorsed Southern Baptist Chaplains and 51,895 volunteers serving this country. Through all this coordinated effort there were 71,734 professions of faith, 30,830 additions to churches, with 15,229 decisions for special service in ministry reported last year.

A summary of the active programs of the Home Mission Board include: Evangelism Development in both personal and mass set tings, Chaplaincy Ministries, Church loans, Associational Administration, Metropolitan and Rural Missions, Christian Social Ministries, Church Extension, Black Church Relations, Inter Faith Witness, and Language Missions.

We must remember Jesus said The Great Commission begins at home.

TRUETT BAPTIST CAMP

We are in the midst of our regular camping program at Truett Baptist Camp. We are off to our best start in three years since we have served the camp. Attendance is up in both girls and music week, and we are looking forward to a great two weeks of boy's camp.

It's good to be able to report that our dining hall is complete and is being enjoyed by everyone that has used it. It has been a difficult but joyous year at camp with all the remodeling and building that has gone on.

I would like to take this opportunity to thank every church and individual that has given support financially, prayerfully and manually.

Thus far there have been 22 professions of faith and a goodly number of rededications this year.

Truett Camp will be open all year long to any group and church that would like to take advantage of the facilities.

We want to thank this association again for your support and dedication in each endeavor concerning the camp activities as there are many more improvements needed at the camp.

Troy Ledford

VACATION BIBLE SCHOOL REPORT

On February 9, 1987, a VBS Early Planning Clinic was held at the Macon Baptist Association House for VBS Directors and pastors. The importance of the clinic was to stress the need for early planning in VBS and to inform the directors and pastors of their duties and responsibilities.

On March 12, 1987, The Associational Team consisting of nine people from Macon County and our DOM attended the all day conference in Canton, NC to prepare to teach our clinic in April.

The Associational VBS Clinic was held April 27, 1987 at First Baptist Franklin. We want to commend our Assoc. team this year for outstanding job they did in presenting curriculum materials and in promoting VBS.

Churches that we recognized at the clinic for these achievements in 1986 were: Distinguished: Aquone, Coweeta, Liberty. Advanced: Black Mountain, Buck Creek, Cowee, Faith, Franklin First, Holly Springs, Iotla, Newman Chapel, Pine Grove. Merit: Higdonville, Mount Hope, Oak Dale, Tellico.

Out of 45 churches that make up MBA, 35 churches conducted VBS. We had several churches that line-up with each other to have a Bible school. Longview Baptist Church conducted on mission VBS and Backyard Bible Club. Franklin First conducted a Backyard Bible Club. Overall enrollment was 2,527, Professions of faith 29, New Prospects 352.

Goals set for 1988 are for every church in MBA to conduct a VBS, with 5 churches receiving distinguished award, 10 churches receiving advanced award, 6 churches receiving merit award. Also for 3 mission VBS and Backyard Bible Clubs.

MBA received an award when we went to the State Conference for a Missions VBS that resulted in a Sunday School. We want to recognize Longview for the work and dedication it took to conduct a Mission of this type. The Sunday School was started in Georgia.

Respectfully submitted,
Joyce Tallent, Assoc. VBS Dir.

FRUITLAND BIBLE INSTITUTE REPORT

In 1946, Dr. M. A. Huggins was asked to organize and direct Fruitland Bible Institute located near Hendersonville, North Carolina. Today, under that name it is a thriving, vibrant school with a very unique ministry. Baptists of North Carolina, South Carolina, Tennessee and other surrounding states should take great pride in this valuable asset that extends the Kingdom work into so many areas.

Today, any person whom the Lord has called to church-related vocations and those who want to do a vocational church work better, can attend Fruitland Baptist Bible Institute. This school provides a high quality biblical education for all persons cal-

led into Christian ministries for whom study in a college or seminary may not be presently appropriate. Fruitland maintains an atmosphere which encourages development of the whole person for Christian ministry including the private devotional experience, Christian family life and practice of personal integrity in ministry.

The school is presently operated by a Board of Directors elected by the General Board. The administration consists of a president, vice-president of academic affairs, vice-president for development, director of student activities and a director of alumni affairs as well as twenty-five faculty members who are highly qualified in their fields of teaching.

Any applicant with ability to read and write well enough to read assignments and make written reports may be accepted upon the recommendation of the church where membership is held.

The campus consists of some very fine buildings such as the administration building, class room building, cafeteria, dormitory and some student family dwellings.

It is the desire of the North Carolina State Convention and the Fruitland Board that more and more Baptist men and women will come to a greater knowledge of this excellent school and its tremendous ministry to the future needs of the area it serves.

J. C. Jacobs, Board Member

EXPANDED CHURCH ANNUNITY PLAN

Would you believe the average annuitant in North Carolina receives only $196 per month? Did you know that even after more than seventy years of opportunity to provide retirement planning for its ministers, only 58% of our churches participate? The truth is more than 42% of the North Carolina churches do not participate since many pastors of churches included in the first percentage have to make their own contributions!

Beyond that, there are still 439 churches in NC who contribute only $33.34 per month, or $400 per year (10% of a $4000 per year salary and housing, an Annunity Board plan devised in 1938). With this in mind, it is easily understood why 211 annuitants receive less than $50 per month, 607 receive less than $100 per month, and 1321 receive less than $300 per month.

Ministers have been reluctant to speak out about the matter for fear of being thought mercenary, and lay people often have not known of the tremendous need. It is time we brought retirement planning for our ministers out of the closet!

The Expanded Church Annunity Plan deserves your attention and your best support. Every church needs to have a PLAN to protect it and its minister. You can help by encouraging your church to sign the Agreement to participate in the plan and send it in now. The important thing is that the church has a plan it intends to follow no matter who may become its pastor.

You can see from the chart that ideally the minister will contribute up to 5% of salary and housing while the church ideally will contribute up to 10% of salary and housing. These contributions will go into one of four funds designated by the minister. The Baptist State Convention will match one dollar for each three dollars contributed by either the minister or the church up to $420 per year. The first $17.50 per month of the BS Convention's contribution will go to buy the Protection Section, a death and disability benefit, with the remainder up to $35 per month or $420 per year going into the member's own fund(s).

MACON BAPTIST ASSOCIATION HISTORY
1986 - 1987

The Eighty-fourth Annual Meeting of the MBA is scheduled to meet August 13, 1987 at the Ridgecrest Baptist Church and the afternoon and evening session at First Baptist Church on August 14, 1987. We look forward to meeting with these two sister churches who have had an important role in the makings of this Association.

In looking back, may we pause briefly to some of last years highlights. Our Eighty-third Annual Sessions were held August 14-15, 1986, with the Rev. Roy Lowe moderating. August 14 evening session at Mt. Hope Baptist Church with Rev. Lloyd Fish of NC Baptist Children's Homes bringing the Annual sermon, "Celebrating The Blessed Hope", truly an inspiring and beautiful message. Rev. Tom Lolly, area missionary representing missions work, spoke. Rev. Martin Fisher, Pastor of Mt. Hope, brought a most warm welcome greeting and read scripture from 1st Timothy. The Theme for the entire two sessions was "Love Never Fails", 1st Corinthians 13:8. The sessions were dedicated to the memory of two very fine and influential ministers who walked lifes pathway among us, married our young, baptised many, touched our hearts with encourging words of faith and lived that faith themselves. Rev. W. A. Cloer passed from his earthly home on November 25, 1985, and Rev. M.I. Brock on March 8, 1986. Both Rev. Brock and Rev. Cloer were dear to all of us and had a profound influence on our life of the MBA. Inspirational singing by the congregation led by our MBA song leader, Mrs. Mildred Williamson, with Rev. Tommy Lamb, our pianist for the MBA at the piano. Rev. Lamb gave piano meditation which is always touching to our hearts. Special music by members of Mt. Hope Church was presented by Mrs. Rebecca Fisher and Mrs. Marsha Crawford, who sang "Wise Men Still Seek Him". Various MBA reports were given. Miss May McCoy, long time member and a staunch supporter of her church and her association, sent greetings from her bedside from the rest home in Clyde, NC. Our moderator welcomed our new ministers in the MBA and special guests from the NC Baptist State Convention and NC Baptist Children's Homes. It is always a pleasure to have these folks visit and fellowship among us.

The afternoon and evening session on the 15th was held at Sugarfork Baptist Church with Mr. Jackie West, member, bringing a most cordial welcome and reading scripture from Psalms 19:14 invited the congregation to read in unison, then led in prayer. Congregation singing led by Mrs. Mildred Williamson and Rev. Lamb at the piano was enjoyed by all. The Baily Sisters presented special music, blessing our hearts deeply. After various reports - Rev. Steve Reeves, Pastor of Sugarfork, brought the Doctrinal Message, "Priesthood of Believers", text from 1st Peter 2:9 and Lev. 8. We Baptists have good reason for feeling the freedom that we have as believers in our Lord and Saviour Jesus Christ. Rev. Melvin Brooks offered grace for the evening meal, and all adjourned in typical baptist fashion to the warm setting in the

fellowship hall. To the delight of all the guests and at the insistance of Sugarfork Baptist Church, their congregation had prepared the entire meal. Therefore, as traditional baptists do on such occasions did eat to our hearts delight from the banquet feast set before us -- all prepared by the ladies of the church! How gracious they were and how sweet the fellowship. Brother Steve and members of his congregation have a unique way in making all who come their way feel this welcome and the spirit of unity - just as christians should. After re-opening for the night session Rev. Arnold Showers brought scripture reading and prayer. After more sweet congregation songs, Brother Rev. Andy Cloer gave honor to our beloved deceased. Special music was presented by Mr. Mickey Duvall, singing "The Love of God" and "A Perfect Heart". After various reports were given, Rev. Bob Page installed the incoming 1986-87 MBA officers. Dr. Harold Horne brought the Inspirational Message from Psalms 34 "Victory in Christ".

During the 1986-87 MBA year, churches have been working and a fruitful year has been realized. When there's a need or a cause that we all believe in we can make it happen with the leadership of God being with us. We want to look back on some of these accomplishments as follows:

Vacation Bible School Directors and Teachers are truly a blessing to our churches. There is no way to measure the success of this work at this time in our MBA, county or nation -- for it is here that most churches are having young converts and rededications. The summer of 1986 we had a total of 1381 enrolled in VBS with 28 professions of faith reported and 13 rededications! That's worth the efforts.

MBA churches participated in revival services arranged by the Macon County Evangelistic Ministerial Crusade Committee, held on July 27 - August 1, 1986 in Franklin. Dr. Anis Sharrosh was the Evangelist for the revival. Several MBA members assisted with the services.

In September 1986, churches participated in the Homes and Hospital Offering for State Missions - "Care Finds A Way". December 1986, churches participated in the Lottie Moon Christmas Offering. Theme was "We Must Make Christ Known". December 1986, a vote was taken in Franklin for the possibility of the sale of alcohol beverages. The vote was defeated mainly due to the efforts of the Concerned Citizens Committee and several of our MBA members being a part of that committee. In January 1987 the NC Baptist Childrens Homes received a grant from the Alcoa Foundation of Pittsburg as the second part of a three-year gift of $10,000. Payment of this years grant of $3500 will go towards medical and educational expenses for the Moody Home Ministry in Iotla. The Moody Farm Ministries Directors - Gary and Mary Lewis Bruin came to Macon County late October, 1986 to become acquainted with the schools, churches and community. The home begun October 1985 officially opened February 20, 1987, being licensed by the State of NC as a foster home for girls ages ten to eighteen. The first girl came to live there on March 9, 1987. The Bruins chose First Baptist Church as their home church. The $300,000 facility was financed by local fundraising which sparked interest here and surrounding areas.

Dedication services were held Sunday, May 17, 1987 at the Iotla Church. A beautiful dedication program was held, dedicated in memory of Miss May Beryl Moody and in honor of Miss Nora Moody - sisters who gave 300 acres of land in the beautiful Iotla Valley to build the home on. A record breaking group of people were in attendance for the ceremonies including most of the Moody heirs. A tour was given before and after the services. A beautiful portrait of Miss May Berly and Miss Nora hangs in the hall of the lovely home. How fitting and proper that they should be placed there. In March 1987, the Week of Prayer for Home Missions was observed throughout our MBA - Theme "Who Will Win America?" In April 1987, MBA people wrote letters to our Legislators in Raleigh requesting that they not support efforts to establish a State Lottery in NC. At this writing the out-come is not known. In June 1987 several churches observed Baptist Heritage Month. Honduras Mission on January 29, 1987 was led by our DOM, Rev. Cecil Frady. Attending with him were Jerry Cook, Ennis Houston of Ill., Don Leadbeater, Douglas Mason and James Odell. The Middle Creek Mission recently established, began with Bible Study April 26, 1987. Rev. Bill Shields, Teacher and Conrad Hefner leading the singing. Rev. Don Ledford led in Census taking of the area and worked several years in helping to get the mission started. Members from First Baptist mowed the lawn, Coweeta donated a piano, the Franklin High School Vocational Shop built the sign and it was painted by Jackie Cook. Topsail Island Mission in April 1987 had six of our MBA members helping to fram in the first church. They were DOM Rev. Cecil Frady, Oscar Asby, Bill Higdon, Jack Revis, Ted Rogers and Arvil Parker. Other Baptist men across NC will be helping with the project. SBC in June 1987 was well represented by MBA. Those attending were: Mrs. Beck and daughter from Highlands, Rev. and Mrs. Bill Carpenter and daughter, Rev. Alton Dendy, Rev. Cecil Frady and Jean, Rev. and Mrs. J. D. Grant and son Jason and daughter Sonja, and Rev. Steve Reeves. The Moody Farm Ministry continues to be one of the highlights of interest in our MBA - as well as many other churches and people in surrounding areas. The Moody Farm sign was ready for the dedication on May 17, 1987. A huge rock located in Jackson County near the Tennessee Creek by Randy Frady, inspected by Rev. Cecil Frady and Mr. Gene Shields for suitability was sent for by Mr. Eddie Tippett, Mr. Lee Garner and Rev. Frady. They were unable to load the rock due to it's weight. Randy made arrangements with a land owner nearby for another rock. Mr. Eddie Tippett, Mr. Ernest Childers, Mr. Lewis Cansler, Mr. Buddy Cloer and Rev. Cecil Frady - using Mr. Ray Penland's crane brought the rock to the Moody Farm location. Mr. Gene Shields cut the lettering, Macon Transit Mix furnished cement for base and Mr. and Mrs. Bill Harrell furnished gasoline for the trips to Canada in Jackson to bring the rock home.

Special happenings at some of our churches were: A history of Shortoff Baptist Church was cataloged by the NC Baptist Historical Collection in Winston-Salem in 1986. The history, 1935-1985, was compiled by Mr. Ed Talley, Historian. A SS Rally was held at First Baptist in July 1986 with Janet Long giving the program and Rev. Duane Kuykendall bringing the message. Calvary

pastor, Rev. Don Ledford, resigned July 1986. Aquone pastor, Rev. James McClure, resigned July 1986. Walnut Creek pastor, Rev. Carson Gibson resigned to accept pastorate at Cartoogechaye September 1986. Burningtown dedicated their new Fellowship Hall at their Homecoming on August 4, 1986. Mt. Hope celebrated their 100th year. A complete book of former preachers, missionaries, teachers and other church history was compiled for the occasion. Wells Grove celebrated their 60th anniversary on Sunday, October 5, 1986 with Rev. Jud Duvall bringing the morning message. Dinner was served followed by special music in the afternoon. The church was organized Fall of 1926. Mrs. Hester Wells donated land to build the first church on - thus from whom the church got it's name. First service was held May 1927. Rev. John Beaty was the first pastor. Present church is located on property obtained from George Buchanan and Leonard Horn. A history of the church was noted. Iotla called Rev. Steven Plemens as Minister of Youth October 1986. Steve came on a volunteer basis. "M" Night was held at First Baptist October 27, 1986 - theme "Sovereignty and Stewardship". Speaker was Rev. Bob Page with topic "My Upmost For His Highest". Music was outstanding. Churches with new CT were: Buck Creek, Coweeta and Walnut Creek. Mashburn Branch called Rev. Harry Garner as pastor September 1986. Faith Baptist and First Baptist were represented at the SS Leadership Conference at Ridgecrest, NC September 19-20, 1986. Sugarfork had a commissioning service on October 8, 1986 for Mr. and Mrs. Tom Pruitt and Mr. Fred Holland going to Brazil on a mission work trip. Mt. Hope was represented by Mr. and Mrs. Kenneth Crawford who left October 12 on a mission work trip to Brazil to work with Mr. and Mrs. Danny Callis. Newman Chapel ordained Jason Griffin to the Gospel Ministry on October 5, 1986. Jason was called to the Flat Creek Church in GA. Bethel Hill ordained Austin Jacobs to the Gospel Ministry on October 5, 1986.

In November the following churches were represented at the NC State Baptist Convention: Burningtown, Cowee, Faith, First Baptist, Highlands First, Iotla, Liberty, Longview, MBA, Mt. Hope, Newman Chapel, Sugarfork and Wells Grove. Tellico WMU in October 1986 quilted a beautiful quilt and a pillar for the Moody Farm Ministry plus through a yard sale contributed $155. Rose Creek in Fall of 1986, built a new SS room, installed fans in the sanctuary and new windows. The church is debt free. Windy Gap on November 9, 1986, had one of their members, Mr. Mark Bishop, surrender to the call of Gospel Ministry. Oak Dale's new Fellowship Hall construction was completed in time to have the Thanksgiving Fellowship service in it. Flats pastor, Rev. Dwight Loggins, resigned and the church called Rev. B.J. Crumley. Iotla in December 1986 approved the request from Mr. Michael N. Duvall to attend Southeastern Baptist Theological Seminary at Wake Forest. After much prayer, Mickey decided to attend New Orleans Baptist Theological Seminary, New Orleans, LA. Mickey was licensed to preach the gospel ministry on January 8, 1987 at Iotla. We lift prayers up for Mickey. West Franklin pastor, Rev. Eddie Stillwell, resigned late 1986. Walnut Creek in late 1986 called Rev. Edwin Crisp as pastor. Higdonville ordained Ronald Owens into the Gospel Ministry on

December 14, 1986. Ronnie has served as their Associate Pastor. Watauga conducted a note burning service for the retirement of debt on their new Fellowship Hall, begun three years ago. Fulfilling a promise made by Mr. and Mrs. Max Gladwell to furnish dinner for Thanksgiving 1986 if debt was paid by that time - they did indeed make good on that promise. Note burning service was in the sanctuary. Members spoke of the many blessings and the growth of the church in the past fifty years. Rev. Cecil Frady, DOM, was present for the occasion. Rev. Paul Morgan spoke of the time of the wood burning stoves to where they are today. The Youth provided the music with theme for the event, "His Love Endures Forever". Higdonville pastor, Dr. Harold Horne, resigned January 25, 1987, but is still available for supply work or interim. Holly Springs pastor, Rev. Ronnie Boone resigned February 1987 to accept pastorate at Mt. Home Baptist in Edneyville, NC. Dr. Harold Horne was called as interim in March, 1987. Calvary called Rev. Daryl Womack in April. He and Beverly are welcomed back into the Association as active pastor. Oak Grove pastor, Rev. Tommy Lamb, resigned April 26 to accept pastorate of Ochre Hill Baptist in the Tuckaseigee Association. Tommy served as MBA Missions Chairman and the MBA pianist. Black Mountain celebrated their 25th anniversary on June 21, 1987. Rev. Claude Ledford was guest speaker. A bountiful dinner was held on the ground. Rev. Danny Cannon is their pastor. Higdonville in May called Rev. Ronnie Owens as Pastor after having served as interim. Ronnie is married to the former Kathy Angel and is in his second year at Fruitland Baptist Institute. He is welcomed back into our association. Cowee WMU presented our DOM, Rev. Cecil Frady and Jean, with a plaque designed with a cross and the Mission Friends gave them flowers during the Associational Missions Week. Iotla's Minister of Youth, Rev. Steve Plemens, resigned recently. The church accepted his resignation to become effective July 31, 1987. Steve will be furthering his study in the ministry and working in the Jacksonville, FL area. Steve has done an outstanding work with our Youth and has been a tremendous asset to the church as a whole. Steve and family will be missed at Iotla - our prayers go with them. Cowee in June celebrated the first year pastorage of their pastor, Rev. Duane Kuykendall. Rev. Kuykendall recently returned from a church-planning crusade in the Phillipines. Faith Baptist in June 28, 1987 observed Founders Day with Rev. J.D. Grant, Pastor, bringing the morning message. There was special singing and dinner was shared in the Fellowship Hall. Faith has been organized for five years.

People receiving special recognition that we know of were: DOM, Rev. Cecil Frady, was surprised when on September 4, 1986, he received "Friend of Children Award" at the Area Children's Conference. Rev. Duane Kuykendall on May 15, 1987, received the Doctrate of Ministry from the Luther Rice Seminary, Jacksonville, FL. Mrs. Rebecca May made a generous donation to the MBA being used to place spreading junipers at the corner of the lawn near the rock with Logo. Mr. Thomas Edward Chaney in 1986, son of Mr. and Mrs. Thomas Chaney, Sr. of Rose Creek Cove Road, received the Master of Divinity Degree from the New Orleans Baptist Theological Seminary in New Orleans, LA. Tom was a member

at Iotla when living in Macon County. Mr. Barry Bryson, native Maconian and former member of Sugarfork was recently called as Minister of Music and Youth at Liberty Baptist Church in the Buncombe Association.

The summer of 1986 was one of the driest experienced throughout North Carolina and the entire Southeast in our history. Crops failed and water was at an all time low. New wells were dug and old wells drilled deeper in an effort to have water in the homes. Water became very precious. Finally, it brought all our people to their knees to pray for rain and the Lord heard and answered - how we all rejoiced throughout our MBA to see the tiny drops of rain come and then more until water began to build back up to normal level. Many eyes became wet as we realized God's love and care towards us. May we give thanks daily for all our blessings - lest we forget.

As this eighty-third year of this MBA draws to a close and we enter into our eighty-fourth, may we take a new, fresh look and resolve to affirm the value that we as baptists have always placed on work, the family and the church. If we can do this, we will have respect and love for one another and a desire to do God's will. Prayers are needed for our SBC churches, our nation and our world as never before. One man or several does not have the wisdom to lead this MBA, SBC, or our nation in their own strength. The affairs of this world needs God's direction. We cannot do God's work without God's help - therefore, may all our prayers be a plea for strength, wisdon, and guidance from above as we go forward into 1987-88 MBA year. "Only let your conversation be as it becometh the gospel of Christ: that whether I come and see you, or else be absent, I may hear of your affairs, that Ye stand fast in one spirit, with one mind striving together for the faith of the gospel." - Phillippians 1:27.

BAPTIST CHILDREN'S HOMES OF N.C. REPORT

In behalf of Dr. Blackwell, the staff, trustees and children in care, we gratefully acknowledge your support through your prayers, concern and financial resources.

Four major emphases occured during this exciting year at the Children's Homes: (1) There was a reorganization of group care on the Mills Home campus in order to more effectively deliver services to children and families. Intentionalized Services will focus on specific tasks needed by our clients in order to regain their ability to function as a whole or independently in society. (2) Moody Home Ministries, an intensive program of "friendship therapy" to troubled girls, was opened in Macon County. We are grateful to our Lord and to the people of Western N. C. in realizing this dream in 1987. (3) The process of Long-Range Planning, which in today's complex world of child care, can only extend up to five years was begun. As a basis for this LRP, accrediation by the National Association of Homes for Children was awarded in 1987. We are only one of three NAHC accredited child-care institutions in North Carolina. We believe you share in this accomplishment. (4) Partnerships in cooperation with the WMU, Personal Evangelism, Baptist Men and the Department of Aging have been both rewarding and exciting. We are grateful for their willingness to assist in informing the Baptists of NC on this child care ministry.

We are delighted to report that more than fifty of our youth made a profession of faith in Jesus Christ during this year.

Our committment to you is to be good stewards of that which is entrusted to our care as we offer quality services on four group care campuses, eight emergency care homes, in our foster homes, at our theraupeutic camping program, through the child development center and at our maternity home. OUR MISSION REMAINS FIRM: TO HELP HURTING CHILDREN AND ASSIST BROKEN FAMILIES. We encourage you to help us by promoting the 1988 Homes & Hospital Offering in May and Cooperative Program stewardship.

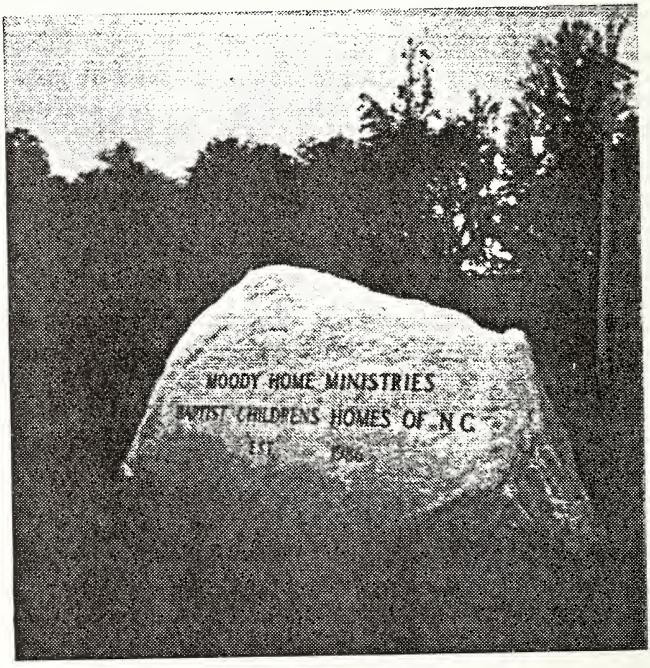
Update/Western Area: Again our Lord has blessed us with a marvelous new facility, the Moody Home in the beautiful Iotla Valley of Macon County. Even more beautiful is the ministry being offered to teenage girls needing a level of care beyond

that which is available in other services of the Homes. Mary Lewis and Gary Bruin, the directors of Moody Home are well trained and gifted in leading this service.

Other services in the Western Area continue to do well. The Broyhill Home at Clyde, which includes the Haywood Emergency Care Cottage, the maternity home in Asheville, and the Thermal Belt Youth Shelter in Forest City tend to have a waiting list in recent months.

The children whom we serve need our help more than ever. However, we have a dedicated staff of child care and social workers to meet the challenge of caring for some of God's loveliest children. Through your prayers and generous gifts, we continue to be laborers together for God and we are grateful for the opportunity to serve with you.

Respectfully submitted,
Bruce Bryant



MOODY HOME MINISTERIES

First, we would like to express our appreciation to all the members of the associations and friends in Macon County. You all have responded in so many ways with loving gifts and kindness. Many of you dear friends have dropped by to visit and tour our cottage. You have responded with gifts and by making quilts for the girls. Many of you have brought your organizations such as WMU's and have shared yourselves by having picnics with the girls. And as always your support and prayers have been greatly needed.

We would like to update you all as to our progress at present. We are filled with eight girls at present and already have a waiting list of seven to eight girls. So you see our work is badly needed. Our girls are 13 - 16 years of age and will be attending Macon Middle School and Franklin High School.

Our program is presently under an eighteen month process of evaluation and study. At the end of that time it will be decided what progress our program has made, what needs are here in the community and what direction we will go as for future building of cottages.

If any of your groups or organizations would like to do something for Moody Home Ministeries or would like to do some small project for or with the girls, please feel free to call. Also, if you at any time would like to tour our cottage, please feel free to call and we will be happy to schedule a time for you.

We want to thank you again for your work with the Baptist Children's Homes. But more we wish to thank you many friends which have helped us personally in our move and transition to Franklin. Your many kindnesses are appreciated more than you will ever know.

We'd like to end on a happy note by sharing some good news with you. We will have one more member added to Moody Home in the early Spring, as we are expecting a baby in February.

Yours in Christ,
Gary & Mary Lewis Bruin
Directors, Moody Home Min.

REV. CHARLES AUSTIN JACOBS
1924 - 1987
"A man who served the Lord"

Rev. Charles Austin Jacobs was born September 3, 1924 to Mr. and Mrs. Luther Jacobs. He was the oldest of eight children. He grew up in the Aquone section of the Nantahala community. He served in the United States Navy for four years as a Seaman First-Class during World War II.

He married Ruby Morgan and they reared seven children — four girls and three boys.

He was a Sunday School teacher at Bethel Hill Baptist Church for twenty years before becoming the pastor of Aquone Baptist Church. He had a love for the church and all that it stood for. He also had a deep concern for the people of his community. He strived every day to serve his God, and he taught his family and friends to look to the Lord and to depend on Him only.

He will always be remembered as a man that loved; a man who served; and a man who is now at home with Jesus.

In Loving Memory

MRS. DOROTHY STALCUP WEST
1896 - 1988

"A Patron of Macon Baptist Association"

Because of Mrs. Dorothy West, we have the address at 58 Doraul Street. She gave the beautiful two acres for the construction of the Macon Baptist Association home and office facilities.

The Street was named for Dorothy and Paul West.

Mrs. West was born in Haywood County to the Rev. Jesse Bryson and Alice Kelly Stalcup (the fifth of eight children) April 27, 1896. She was the widow of Mr. Herman Paul West. February 12, 1988 she departed this walk of life to be with the Lord.

She will be long remembered by churches, family and friends for her contributions of flowers from her rose garden for various occasions.

AMERICAN BIBLE SOCIETY REPORT

The longstanding and fruitful partnership between the Southern Baptist Convention and the American Bible Society continued to open new ways to the Word for millions of people across the globe in 1987. Your support has been of key importance in the success of the many projects undertaken in the ongoing task of meeting the Scripture needs of the world -- whether through distribution in areas where the availability of God's Word is low, or through channels of Scripture production, or through new translations.

The reports from various countries around the world are representative of Bible Society work in some of the regions where the Southern Baptist Convention maintains a strong and active mission presence.

In the United States, the ABS has continued to pursue its aim of serving the many and diverse Scripture needs of the churches in this country. Behind the successful completion of each Scripture translation and distribution project is the story of people reached with the Word of God.

Although much more is needed, your support has made a vital and invaluable contribution to the ongoing challenge of opening God's Word for all.

HOME MISSION REPORT

The Home Mission Board with headquarters in Atlanta, Georgia just completed its first full year under the new leadership of President Larry Lewis.

The theme this year is a partnership, I Cor. 3:9 "We are Laborers Together With God". It is assuring to know that when we work with other Christians to further God's Kingdom, God joins the partnership.

The Home Mission Board serves through partnership with Southern Baptists in all areas of the United States, Puerto Rico, American Samoa, Canada and the American Virgin Islands. This partnership is a tool for winning souls for Christ.

One of the partnership goals for the Home Mission Board is the starting of 13,000 new churches and missions by the year A. D. 2000. Your prayers and participation through the Annie Armstrong Easter Offering make you a partner with all those working directly in the field.

Respectfully submitted,
Steve Reeves

DIRECTOR of MISSION'S REPORT

This year has been the hardest of almost eighteen years of service as your Director of Missions. Why? We have had 20 churches this associational year without pastors, and West Union to close its door. At this writing we have nine churches seeking pastors; eleven churches have been filled this year. Four churches have been open twice in the year, and we lost one pastor by death. Five of these pastors were serving as

associational officers. All this is a burden and more work on the Director of Missions.

I am praying for revival and a spiritual awakening to begin with me, the pastors, leaders and congregations. How much we realize the need of revival as we visit among the churches. We have sensed a decline in attendance (especially in Church Training, this distrubs me because if we fail to train and equip the saints, we will suffer the results), and commitment in service. Attendance was lower in "M" Night, Key Leadership Conference, Lay Evangelism School, Sunday School Meeting, and VBS Clinic this year.

Like Habakkuk we need to cry unto the Lord, "Revive Thy Work" in the Midst of the years.

Has the Lord spoken to us this year through drought? Just as the dry fields need the rain from Heaven, His people need the showers of blessing and the dew from Heaven to revive us as the dew revive the corn. All this should drive us to our knees, "Have Mercy Upon Us O Lord".

What A Great Time To Serve The Lord! Even in the midst of turmoil, hardships and difficulties because of the Greatness of God and His un-ending love. He will fight our battles today if we would trust and obey.

The Baptist Men of the Macon Baptist Association built the first stage of the chapel at Mars Hill Baptist College in April of this year.

The Association has continued working this year to get a mission in the Middle Creek section. Rev. Morris Wilson accepted the work to visit and work the community with his wife Elaine, holding their first service February 28, 1988.

We are so thankful for each Associational Officer in giving of your time and prayers. For the Nominating Committe, and we are so grateful that each office has been filled, CT and VBS Directors being the last to fill but Praise God we have directors for them. All the programs: Sunday School, Church Training, WMU, Brotherhood, Evangelism and VBS are integral part to our churches and association. We're grateful to ou Missions Committee in giving many hours in planning the direction of our association, Credential Committee and Trustees and everyone who gives extra time in the work. We want to thank Peggy Harper, employee of Franklin Press, for the art work on our Book of Reports cover. For Drakes Accounting for printing our address labels, saving us so much time and thanks to everyone who helps this great work.

There is no greater work than the Lords work, and the only requirement is to love Him.(If you love Him, You will keep His commandments). It is my desire to have Council meetings with the program directors. We have had regular scheduled meetings and sometimes one attends and sometimes no one. Let me urge our new officers to meet this year in order that we can see how we can best serve our Association.

We're thanful for pastors and thoes from the Association attending the Southern Baptist Convention. Jean and I did not attend due to finances of the Association. This has

resulted from the Association financing the Mission (with Coweeta the Mother Church) operating on the budget 1987-88. Some of our churches have given extra and the Baptist State Convention $200. per month.

Let us go into the unknown this year in faith and obedience to God to fulfil His purpose in each of our lives in service to Him. God does not condone sin but He can transform and use the sinner. God is so good. Let's work to bring glory to His Holy Name.

Thank you for your continued support and prayers and thanks to those who were so thoughtful during Associational Week. Thank you for the opportunity to serve you.

My prayer for this association year is: Revive thy work O Lord, that we might see a harvest of lost souls for you.

Respectfully submitted,
Cecil M. Frady, DOM, Macon Assoc.

FOREIGN MISSION REPORT

Can you remember another period in time when the need to PRAY was more urgent than it is today?

Each year the week of prayer for Foreign Missions is held, but this past year was especially significant. The National Missions Prayer Plan was launched. The plan is to help facilitate our praying regularly, faithfully and intelligently for missions and missionaries.

Today, more than 7,000 missionaries represent Southern Baptist across our country and around the world. Without prayer, missionaries claim their work would be fruitless, and the task of winning the world for Jesus Christ would not be possible.

Established by the Southern Baptist Convention in 1845, the Foreign Missions Board is the overseas mission channel for Southern Baptist Churches. Foreign Missions of the Southern Baptist is listed as the largest denominational evangelical mission in the world.

By working together some 32 mission countries supported some 179 foreign missionaries and close to 750 home missionaries.

Southern Baptist sent almost 8 million dollars to countries for hunger relief and disaster response calls.

With over 3,900 Southern Baptist Missionaries working in some 112 countries, close to three churches were started each day. This totaled to about 1,000 for the year.

In Southern Baptist related churches overseas some 203,800. dedicated their lives to serving the Lord.

Having received $69, 912,637.50 from Lottie Moon Christmas Offering is one way the Southern Baptist do their part in helping special foreign mission projects overseas.

The Foreign Mission Board President, R. Keith Parks said, "We follow our Lord in the context of the world we know today... We review our maps and seek to redraw them where necessary. When we reach the edge of our maps, we wait for our commander's order... For what is 'off the map' for us may well be in the center of the will of our Lord.

STATE MISSIONS REPORT

North Carolina Baptist certainly have a rich heritage in area of missions. From the beginnings of our convention until today we continue to touch the lives of people from the mountains to the seashores. Yet it is not time to lay back on our laurels. We must continue to reach out and do greater things than ever before. We must do this not because of who we are but because of the Almighty God whom we serve.

This year our state mission offering is $ 1,600,000. Without reaching out to meet this goal (and digging deep into our pockets) many ministries will go undone or at least hampered. There is too much work to be done to let this happen.

Our mission offering helps a number of ministry areas within our state. These include: conference center and Baptist assembly; church programs; communications division; evangelism; missions; Christian life and public affairs; stewardship; youth and campus ministries; Christian higher education. We need to pray and to give like we never have before. The challenge is ours.

Respectfully submitted,
Duane Kuykendall

COOPERATIVE PROGRAM REPORT

The Cooperative Program has become almost known as Southern Baptist Missions. The Cooperative Program begun in 1926, has become the mainstream through which Southern Baptist Churches give to aid in fulfilling the Great Commission of our Lord.

There are some fourteen different boards and agencies which receive funding from the Cooperative Program. These boards and agencies include: The Foreign and Home Mission Boards, Seminaries, Annunity Board, Brotherhood and WMU. All of these agencies and boards have a tremendous impact upon the missions of Southern Baptist. We can say the Cooperative Program is the bonding together of Southern Baptist as we reach out to the world.

Total giving by Macon Baptist Association Baptist has increased over 10% of gifts given to this date a year ago. This reflects both an increase in Cooperative Program and designated gifts. As a part of this report is a listing of gifts from the churches of Macon Baptist Association. (See page 11)

As Baptist's are only 12 years away from the turn of the century and the Bold Mission Thrust goal date each church should prayerfully consider how they may aid in this tremendous goal. It is felt that the Cooperative Program is a vital link in the accomplishment of this goal.

Davis Hooper

NORTH CAROLINA BAPTIST COLLEGE REPORT

WHAT IS A BAPTIST COLLEGE? First, Baptist Colleges are colleges, places where teaching and learning take place. During 1987-88, almost 18,000 students and more than 1300 faculty members worked at the task of making your Baptist colleges good colleges. A college cannot be a church any more than a church can be a college. Christian education of church and community leaders is the task your colleges gladly undertake.

Second, the word "Baptist" tells what kind of colleges they are. Baptists began them all, provide financial support for them, and send their young people to them for a good education in a Christian environment. These colleges are special places where lives are changed and where life commitments come into focus.

Third, Baptist colleges are partners with the churches in missions. Each year there are many Baptist groups which are hosted and cared for by the seven Baptist colleges. During 1987-1988, there were more than 22 such groups who met at one or more of our colleges.

THE GOAL: CHURCH RELATED COLLEGES AND COLLEGE RELATED CHURCHES.

Respectfully submitted,
Frances Teague

BIBLICAL RECORDER REPORT

There is an old saying, "When Baptist know, Baptists will do." There is also an old saying, "Tell the truth and trust the people." The Biblical Recorder believes and tries to practice both!

In a rapidly changing world, it is more important than ever before that Baptists be well informed.

Baptists, like the population in general, are watching more television and listening to more radio than they are reading. But we must be informed and involved in the work of the Lord as Baptists do it...if we are to make progress.

For 155 years, the Baptist paper in North Carolina has issued a call to greater missions and commitment to the Commission of our Lord to win, teach and baptize persons.

As the Recorder informs it also gives opportunity for Baptists to freely exchange points of view.

With all the upheavel in the world, the nation, and even in Baptist ranks, stability can be maintained only when good and sincere people know the truth and take their stand upon it.

If you or your church are interested in rates, or subscription plans, please contact: The Biblical Recorder, 232 West Millbrook Road, Raleigh, NC 27609, (919) 847-2127.

God has given us a great opportunity and a great responsibility. Let us be informed about what is happening. Let us be involved in meeting the challenge, in being a part of the answer to take the Gospel to a lost world.

Respectfully submitted,
Jean Farmer

TRUETT BAPTIST CAMP

We are in the midst of our camping program at Truett Camp. We are off to a pretty good season thus far.

There has been another year of remodling. We had to do quite a bit of work on the staff Lodge and we also finished the basement in the dinning hall.

We have just completed our third week of girls camp with a goof attendance. This was a good spirit-filled camp with 16 souls claiming Christ as Lord of their lives and several re-dedications.

Music week is going to be big this year. We thank God for that.

Boys' weeks registrations are coming in good so we anticape good attendance for this also.

We have had a few more churches to start contributing to the camp this year and this has made it possible to do some much needed maintenance work that has helped to beautify the camp.

Our total professions of faith last year was 42. This is what makes all the hard work of the camp worthwhile.

We wish to thank this association for their continuing support and prayers for Truett Camp. This is your camp and our prayer is that we will continue to minister to the needs of all our people in the days ahead.

Respectfully submitted,
Troy Ledford

EVANGELISM REPORT

Evangelism is not something that a church has the option to do or not to do. Evangelism is what every church is about. We need to center everything we do on reaching the lost and develope the saved. During the past year we had an associational Lay Evangelism School to help equip the saints in the work of evangelism. This school served as a beginning for many more years of evangelism training within the association.

Looking to the future there are exciting things happening in the area of evangelism. The year 1988-89 is the year of the Laity in Evangelism and Discipleship. This emphasis is an evangelism strategy for reaching people based on Zechariah 4:6, I Corinthians 2:4-5, II Corinthians 5:17-19.

Its purpose is to awaken the laity to their call and gifts: to deepen believers' personal relationships with Jesus Christ; to equip and develop more effective ministers and witnesses for active ministry in the marketplace and in the church.

The plan is to involve members in every Southern Baptist Church through personal witnessing, church renewal, and discipleship training.

Our association will be helping you by offering the Lay Evangelism School again this spring. We will also be offering the Prayer for Spiritual Awakening seminar hopefully this fall.

Let us work and pray to the end that this year will be a great year to the glory of our Lord in the winning of the lost and in the developing of the saved. This will only happen if we commit ourselves to the task.

FRUITLAND BAPTIST BIBLE INSTITUTE

Fruitland Baptist Bible Institute, provides training for adults called to church related vocations. As of this writing there are 130 students enrolled. The average age of students is about thrity-seven.

We are happy to report that two Macon Baptist Association pastors graduated from Fruitland this year. They are: Rev. Ronald C. Owens, Pastor Higdonville Baptist Church and Rev. Edwin Thomas Crisp, Pastor Walnut Creek Baptist Church.

The school now offers a full first quarter scholarship to pastors of small Baptist churches in North Carolina who apply for winter, spring or summer quarters (not available for the fall quarter). The scholarship covers the cost of tuition, room and board for the inital quarter.

With the growing emphasis in the denomination upon bi-vocational ministry and upon starting new churches, the Board of Directors is considering recruitment and the possibility of an enhanced development program.

To prepare them for counseling prospective students, full information on the school has been provided for every pastor in the Baptist State Convention. Each Baptist Association in North Carolina has a video tape on the school which is available to churches and interested groups.

With support through the Cooperative Program and generous giving by Friends of Fruitland, the school is in the best financial condition in its history. School facilities are modern and well equiped with a value of more than four million dollars. The twenty-five faculty members (four of whom serve also as administrative officers) are functioning well. Each member of the faculty teaches four hours per week of school in one field. Remuneration for teachers is an honorarium without benefits.

The president of Fruitland has announced retirement at the age of sixty-five (October 24, 1989) early so that the process of electing a new president can make it possible to have the president-elect on campus by July 1, 1989. This will provide a period of about four months for transition in leadership.

Respectfully submitted,
J. C. Jacobs

BROTHERHOOD REPORT

This year I feel like the Brotherhood of our Association held its ground, but we all know we could do better, so let's do it in the coming year.

At the Key Leadership Conference at Ridgecrest, a lot of new programs were introduced. I am pleased to report that we are going to take part in some new projects. We will take part in a joint project with Baptist Children's Homes. Men in Missions Video Program- this program will consist of 6 video tapes of N.C. Baptist Men. This program will cost us $1,000.00 this year - more on how we will pay for this later.

The N. C. Baptist Men's Convention has been changed from November to January 13-15, 1989 and will be at the First Baptist Church in Charlotte, NC. Baptist Men Director, David Langford, has asked each Associational Brotherhood Director to encourage Baptist Men to attend the State Convention. THis is a spiritual uplift for all that attend. I encourage you men of this association to accompany me to this most important event.

Let us work together for the good of all mankind.

Respectfully submitted,
Oscar H. Asby, Association
Brotherhood Director

WOMAN'S MISSIONARY UNION REPORT

As we reflect upon the heritage of WMU, we experience anew the sense of missions and its purpose that characterized our predecessors.

The churches in Macon Association have affirmed the Mission Tasks of WMU, to teach missions, to support missions with our prayers and money, to love and win people to Christ thru mission action and personal witness, and to undergird the work of the church and denomination.

Members of the UWU Council attended a training workshop at Fruitland Bible Institute in July to receive up-to-date material and information for 1987-88, then shared this information with local church WMU leaders in September.

Council members assisted local churches with organizing or redeveloping WMU organizations.

Foreign and Home Mission emphasis was observed in the local churches through mission studies and weeks of prayer.

Praying for missions is one way in which all church members can have a part in the Bold Mission Thrust. During 1987 Week of Prayer for Foreign Missions an intecessory prayer activity was launched, known as the National Missions Prayer Plan. Its focus was to lead all church members to develop the habit of praying daily for missions that all people in the world will have an opportunity to hear the gospel.

This year, 1988, is the final year for Vision 88, an enlistment plan with a national goal of 2 million women, girls, and preschoolers enrolled in quality mission education.

Macon Association has 45 churches with 20 of these having one or more WMU organizations. Mission Friends, 12; Girls in Action, 14; Acteens, 12; Baptist Young Women, 6; Baptist Women, 19.

This year being the celebration year, 100 years of WMU in Southern Baptist Convention, the Associational WMU Council 1987-88 leaves for the Association a WMU banner to pay tribute to those who paved the way for WMU in Macon Association. The banner reads: WMU OF MACON ASSOCIATION 1917-1988, using this year's watchword, "A CENTURY TO CELEBRATE: A FUTURE TO FULFILL."

Respectfully submitted,
Dixie M. Shook, WMU Director

BAPTIST HOSPITAL REPORT

Perhaps the word which best sums up the past year at Baptist Hospital is expansion - expansion of facilities and services.

The hospital, together with the Bowman Gray School of Medicine, is still in the midst of the largest health related expansion program ever in North Carolina. The $140 million project has seen the completion of a four-story MRI building,

the completion of a six-story addition to its research building, the completion of an addition to the power plant, completion of additional parking space, the near completion of a fifteen-story patient tower, and the beginning of a new clinical services building.

New programs in health care, initiated in recent months, include the Brenner Children's Hospital, the Sticht Center on Aging, a new hand center, ligament transplants, new methods of treating certain types of cancer, new procedures for helping patients with heart problems, and the beginning of Air Care International.

During the past fiscal year, the total hospital revenue budget has been $181 million. Total personnel is over 3,800. There were 22,085 patient admissions for a total of 196,554 patient care days. Some 13,680 surgical procedures were performed including 1,022 open heart operations and 32 kidney transplants. There were 282,907 radiological procedures, 4,401,552 clinical laboratory tests, 14,500 chemotherapy treatments, 833 lithotripsy treatments, and 480 Air Care missions.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs ... as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

The faithful delivery of pastoral care, beginning within our Medical Center and reaching around the world, is the ministry to which we make renewed commitment.

Like most hospitals throughout the nation, Baptist has been faced with a critical shortage of nurses and other health care personnel. A variety of programs are being implemented which are designed to attract and hold needed staff members. Among these are: a day care center for children of employees, wage and salary adjustments, weekend shift differential, weekend options program, case management concept, and a loan/scholarship program for students preparing for health care careers.

In January Dr. John Lynch, who had been president of the hospital for more than seventeen years, submitted his resignation. The trustees have appointed a Search Committee which is seeking his successor. Mr. Len B. Preslar, Jr., who for many years has been vice-president for Financial Management, has been named chief executive officer.

During the past fiscal year, Baptist Hospital received $659,062 through the Cooperative Program and $290,585 through the Homes and Hospital Offering. The trustees, staff and patients are all extremely grateful for this financial support.

Respectfully submitted,
Marshall Fouts

BAPTIST FOUNDATION REPORT

For several years, Montagress Mercer has provided an example of estate stewardship which members of the Foundation staff have often related, but always without revealing her identity. It was her wish that "nobody know". Mrs. Mercer died this spring. We can now share her name as well as her testimony. It was her wish that "Lottie" should have her farm. To accomplish that, the farm was deeded to the Foundation but she retained all benefit from it for as long as she lived. Now her happiness has been justified. That which she desired is now a reality: the income from her trust will be paid forever to the Lottie Moon Offering.

Another unique expertise provided by the Foundation is in helping to analyze a person's total estate picture and assisting them in their complete plan of estate stewardship. Sometimes, a person only wishes to make a modest gift in trust for one specific cause and then is content. Often, however, the person realizes that both his family and Baptist causes he loves can derive a greater benefit from his estate, if his plan includes all of it. It may require more than one type of trust and nearly always a Will that capitalizes on the best possible planning.

The "unfunded" trust simplified planning for many persons in the past year and continues to provide a way to help meet the objectives of many stewards. The trust document is prepared to incorporate the provisions of the trustor's wishes. It will not take effect, however, until the individual is deceased. Then their Will provides the funding, most often the residual estate being assigned to the trust, hence the term "unfunded". The individual has the joy of having a plan in place, all signed and legal.

The Baptist Foundation added 62 new trust funds to its numbers in 1987. Gifts to trust increased its holdings to a record $14,452,258. Trusts already in place provided $578,697 in support of Baptist causes. As important as these statistics are, a significant aspect of The Baptist Foundation program is that it provides individuals, such as Mrs. Mercer, with an avenue for continuing their support of Christian causes beyond their lifetime.

VACATION BIBLE SCHOOL REPORT

On March 7, 1988, a VBS Early Bird Clinic was held at the Macon Baptist Association House for VBS Directors and Pastors. The importance of the clinic was to stress the need for early planning in VBS and to inform the directors and pastors of their duties and responsibilities.

On March 10, 1988 the Associational team consisting of seven people from Macon County attended the all day conference in Waynesville, NC to prepare to teach our clinic in April.

The Associational VBS Clinic was held April 25, 1988 at the First Baptist Church in Franklin. We want to commend our Associational Team this year for their outstanding job they do in presenting curriculum materials and in promoting VBS.

Churches that we recognized at the clinic for these achievements in 1987 were: DISTINGUISHED: Coweeta, Liberty; ADVANCED: Buck Creek, Burningtown, Clear Creek, Faith, Franklin First, Iotla, Newman Chapel, Pine Grove, Wells Grove, West Franklin; MERIT: Black Mountain, Cowee, Longview, Mount Hope, Oak Dale, Tellico.

Out of 46 churches that make up MBA, 36 churches conducted VBS. We had several churches that linked up with each other to have a Bible School. Shortoff conducted a Backyard Bible Club. Overall enrollemnt was 2,374, professions of faith 37, new prospects 187.

Goals set for 1989 are for every church in MBA to conduct a Bible School.

It is my prayer that ALL of you pastors get concerned about VBS. Make sure your church has a school. You reach a lot of children in VBS you normally don't reach any other time of year.

It's up to you pastors to make a difference.

Joyce Tallent

HISTORY OF COWEETA MISSIONARY BAPTIST CHURCH

Organized in 1831. The old records were lost in a fire of the clerks home. In February, 1956 the church voted to start a new church. The new church was finished enough to move into in the summer of 1958. Most of the work was done by members of the church.

In November, 1966 the church passed a mostion to accept plans made by the Building Committee to do more work on the church. The building was made of cement blocks. In January, 1968 two Sunday School rooms had been renovated. In early 1975 had carpet put down.

In July, 1976 the W.M.U. ladies had the nursery carpeted and the rest rooms finished. In December, 1977 we got new pews, pulpit furniture and Baptistry. In February, 1979 finished the kitchen.

Started printing bulletins in January, 1980. In 1980 had water cooler installed. In the fall of 1980 the church voted to buy a double wide mobile home for a Pastorium.

In 1981 remodeled the sanctuary. The labor donated by members of the church. In 1982 installed new heating system and air condition, bricked the church and graveled the parking lot. Most of the work done by men of the church and debt free.

In 1984 got new steeple and had parking lot paved and marked; also started perpetual care of the cemetary.

Built new parsonage and had note burning and dedication on August 11, 1985. In 1988, had new carpet installed and seats padded. Bought land for new sewage system. Debt free.

SUNDAY SCHOOL REPORT

Another year is gone - one year less time to meet our goal in the "Bold Mission Thrust", telling everyone about Jesus by the year 2000.

In days ahead, we must commit ourselves as never before to "Gather the People" to meet the challenge for the unchurched in Macon County. Have you had a people search survey in your community recently? Unchurched members may - and will - surprise you.

Our Sunday School purpose remains the same: "Win the lost" and "Develop the saved". We must first find the lost, win them for Christ, and develop them into dedicated Christians.

We must take every advantage to train and equip our teachers and officers with all resources available so that we have the spiritual understanding of the Word of God and our telents are dedicated and utilized to the extent of our capabilities for the glory of God.

Many new members have been added to the Sunday School rolls in the Macon Baptist Association, but many old members have dropped out. We must provide an excellent program in our Bible study time if we are going to educate and nourish those who attend. God doesn't want us to have "drop-outs" in Sunday School.

Our prayers are for a great Sunday School growth in our association next year. May we follow the leadership of the Associational officers with unity, cooperation, and dedication to God, that we gain victory in Macon County for our Lord and Saviour Jesus Christ.

Respectfully,
Claude Curtis
Sunday School Director

SEMINARY EXTENSION REPORT

Have you as a pastor or church leader ever said "I need some help with my teaching - especially the January Bible Study"? If your answer is yes, then Seminary Extension is the place to be. College credit is available for the class if you so desire. However, if your goal is to grow in your spiritual life as a church leader then you may not want to take the class for credit.

During the fall of 1987, Macon Baptist Association offered a course on the Post-Exilix Prophets (OT 0141) which included a study of Malachi, Haggai, and Zechariah. Rev. Bob Page, Pastor of First Baptist Church in Franklin led our study. One (1) pastor and ten (10) other church leaders participated in the nine (9) week class held on Tuesday evenings. None of the participants requested college credit.

Consider the following Seminary Extension viewpoints on learning as you make your decision regarding participating in Seminary

Extension: (1) Every minister needs to engage in purposeful, planned learning as long as he is in active service. (2) Learning produces changes in how persons think, feel and act. (3) Learning is facilitated when it is related to the problems and felt needs of learners. (4) Learning is facilitated when it takes place in the locale in which application is to be made. (5) Learning is facilitated when the learner is appropriately involved in setting goals, planning processes, and evaluating results. (6) Learning is facilitated when the methods used are consistent with the goals and abilities of learners. (7) Learning is facilitated when both course materials and the personal experiences of learners are used skillfully as resources in achieving the learning objectives. (8) Learning is facilitated when it is consistent with and improves the self-concept of the learner. (9) Learning is facilitated when the learner is encouraged and assisted in using what he has learned in real life situations. (10) Effective continuing education helps persons learn how to learn and commit themselves to lifelong learning.

Wells Grove Baptist Church was organized in the fall of 1926. A building was erected on a hill southeast of its present location. The land for the first church was donated by Mrs. Hester Wells, thus the name Wells Grove.

May 1927 brought the first service in the new church. Rev. John Beaty was the first pastor. John B. Snyder was elected S.S. Superintendent. Serving as deacons were Alex Gibson, Leonard Hunnicutt, and John B. Snyder. Tom Jennings was the Adult S.S. Teacher and held the position until August, 1978.

In 1944 land was obtained from George Buchanan and Leonard Horn at the present site. The pastor at that time was W.L. Buchanan. The present sanctuary was built in 1971. Construction was done by O.H. Gay and Willis Teem. The pastor was Jud Duvall. Plans for the entire building were drawn up by Jay and Paul Jennings.

The first service in the new building was held Sept. 5, 1971. Dedication services were held June 4, 1972, with former pastors Earl Dendy and Melvin Brooks. MISSION COMMITTEE REPORT

During the past year your Mission Committee has made the following two recommendations:

1. Study the feasibility of building a missionary residence on our vacant lot next to the associational office on Doraul Street. Such a residence would be available to Southern Baptist missionaries on furlough. Furloughs for our missionaries are typically from several months up to one year. While the missionaries live in the house, they would be available to speak in our Macon Baptist Associational churches.

2. Morris Wilson was presented to the Executive Committee on April 18, 1988 and approved to serve as mission pastor of the Middle Creek Mission. He will work three days each week. His salary will be $650.00 per month. This amount includes travel expense. The State Baptist Convention agreed to contribute $200.00 per month toward the travel expense. This leaves $450.00 per month for the association to contribute.

Rev. Wilson spoke of his vision for the Middle Creek Mission at a breakfast on Saturday, March 12, 1988. The Missions Committee and our moderator made an appeal to the eleven churches represented to raise the $450.00 per month needed for the mission pastor salary.

The Missions Committee instructed Rev. Wilson to report the weekly attendance and offerings to Coweeta Baptist Church. He is also to make monthly reports to the State Baptist Convention and quarterly reports to the Executive Committee.

Respectfully submitted,
Bob Page, Missions Com. Chm.

EXECUTIVE COMMITTEE MEETINGS

BAPTIST RETIREMENT HOMES REPORT

I. MISSION The Baptist Retirement Homes of NC., Inc., began operation in 1951 with a charge to provide a Home for "Aged Saints" in the spirit of Christian care. The mission of the Homes continues to be that of providing quality residential opportunities for Older Adults within a Christian context.

The hallmark of the Homes' ministry is the quality of its care. It is a distinction that is present at all levels, in

all locations, in all services.

Older Adults have differing needs, and the level of care for any single individual necessarily changes as time passes. It is for this reason that the Homes offers independent living in an apartment setting, personal care for those who require some assistance with daily living, and two levels of nursing care.

II. NEED According to a January, 1987 Report of the Office of State Budget, the number of NC citizens age 65 and over will increase by 203,935 (28.9%) by 1995 and 286,831 (40.6%) by 2000. The percentage of increase for the 80-pluw age group in Baptist Life is predicted to be more than 50% by 2000. Attempting to address the challenge, the Baptist Retirement Homes has launched a bold new program of development and ministry:

(1) THE DEVELOPMENT OF REGIONAL CONTINUING CARE RETIREMENT COMMUNITIES. A five-level continuing care retirement community (Brookridge) is now under construction in WS. Land for that same purpose has been purchased in South Charlotte. Planning for the development of similar communities has begun in Asheville and in Eastern North Carolina. 2. THE DEVELOPMENT OF A HOME HEALTH CARE MINISTRY. In 1988, the Homes received a grant from the Mary Reynolds Babcock Foundation to study the feasibility of establishing a volunteer-based Home Health Care program that will enable frail Older Adults to continue to live independently in their homes with some assistance. The Homes believes that the ability to remain in one's own home as long as possible can benefit Older Adults by enhancing both their quality of life and their lifespan. 3. THE DEVELOPMENT OF FINANCIAL SUBSIDIES FOR RETIRED MINISTERS AND MINISTERS' SPOUSES AND OTHER OLDER ADULTS WITH LIMITED FINANCIAL RESOURCES FOR RETIREMENT LIVING. The fastest growing segment of North Carolina Baptist life is the Older Adult population. The needs for residential living opportunities on all levels (from independent living to nursing care) grow as the population does. A large number of Baptist Older Adults requiring service within a residential environment cannot afford the cost of that care. Particularly does this seem to be true for a large number of retired pastors and their spouses. The Home feels a particular commitment to these individuals and has responded as much as the parameters of its Benevolent Care Program will allow.

As we move into 1989, opportunities for creative ministry with Older Adults abound. With the support of NC Baptists, the Baptist Retirement Homes will endeavor to turn those opportunities into the kind of reality that will meaningfully service the needs of the Older Adults of our State.

Respectfully submitted,
Mr. Roy Rickman

MACON BAPTIST ASSOCIATION HISTORY
1987 - 1988

With this writing it is with keen anticipation that we in this Macon Baptist Association fellowship - East to West and North to South of Macon County look forward to the EIGHTY-FIFTH ANNUAL SESSION of the Macon Baptist Association on August 18, 1988 at Wells Grove Baptist Church and August 19, 1988 at Coweeta Baptist Church. We well know we are in for a marvelous time of sweet spiritual fellowship together.

In remembrance of this past 1987-88 Associational year may we pause briefly with joy in our hearts and tread back in time to reflect on the train we have blazed and be thankful for the many unearned blessings so abundantly bestowed upon us - and too some sadness that has touched all of us - but yet mercy and strength we have received from wells of living water.

Our EIGHTY_FOURTH ANNUAL SESSIONS of the Macon Baptist was held on August 13 and 14, 1987. The Theme was "To Know Him ... To Make Him Known." The Night Session was held at Ridgecrest Baptist Church on August 13, 1987. Rev. Wiley Gibson gave the Welcome and led ion prayer. Visitors were recognized by Moderator, Rev Roy Lowe. The Night Session and the afternoon and Evening Sessions were directed in music and song by Mrs. Mildred C. Williamson, Music Director for the Association and Mrs. Terry Henson, Pianist for the MBA. The statistical Report for MBA Churches given by Jo Anne Elmore, Clerk, was adopted by the duly appointed Messengers. Organizational Reports were given by: Janet Long, Sunday School, and attention

was given to VBS and WMU Reports, and Brotherhood by Bucky Asby.

The Moderator gave the attendance figures for first session: 122 Messengers, 5 Associational Officers and 11 Visitors. In order of business, "Sloans Chapel Church," having met in conference July 26, 1987 for purpose of petioning the MBA for membership into the MBA was motioned by Mrs. Ellen Bryson and seconded by Mr. M. G. Rickerson and motion was approved. Mrs. M.G. Rickerson made motion to change the name of said Church to "Community Missionary Baptist Church," seconded by Mrs. Mary Setzer the motion was unanimously approved. Moved by Rev. John Rogers, seconded by Rev. Andy Cloer the church be accepted under the watchcare of the MBA for one year was approved. Our Moderator submitted report for Executive Committee, called attention to Treasurer's Report and submitted Budget Proposal for 1987-88 and recognized Rev. Steve Reeves for Home Missions Report. Rev. Cecil Frady was recognized for Associational Missions. Rev. Frady called attention to the 1987 MBA Book of Reports being dedicated to the memory of our beloved Miss Olive May McCoy, 1900-1986, who from a very young girl became a Christian and spent her entire life in the area of public school teaching, labors of love and service to her church, community and this MBA. When we think Missions, be it at home or abroad - we think of May McCoy as her work was well done, she was a good and faithful servant. A brief history was included in the program booklet. Rev. Bob Page brought the Annual Sermon on "Our Association With The Holy Spirit,", Rev. S. J. Waters led the benediction prayer.

The Afternoon and Night Sessions were held at Franklin First Baptist on August 14, was welcomed in with Mrs. Janet J. Long reading scripture from Ephesians 3:8-12 and led in prayer. Our Moderator led in prayer for our MBA Churches and our NC State Baptist Convention. Rev. Steve Reeves was recognized for written report on Moody Home Ministries. Our Moderator recognized other State Baptist reports. Rev. Gene Hawkins brought the Doctrinal Message, "The Church To Whom Christ Comes With Sword in Hand." Rev. Bob Page offered grace for our Evening meal. First Baptist fully hosted the meal in their fellowship hall. The food was in varieties and in abundance - of such - we all forgot about our cholestrol and such things. We were received warm and graciously and there was a sweet sweet spirit throughout the evening meal and on into the Night Session where a combined 175 registered, representing 26 of our MBA Churches. We were reconvened by music and prayer. Rev. John Rogers paused to honor our beloved deceased of the MBA. After installation of 1987-88 Officers, the Evangelistic Message was brought by Rev. Richard Everett, Director of Youth Evangelism of the NC State Baptist Convention. After benediction prayer by Rev. Melvin Brooks the Eighty-Fourth Annual Session of MBA closed at 9:35 PM. Between then and now let's glance at a few happenings in our 1987-88 MBA year:

As the Evening shadows fall on our Eighty-Fourth year of MBA and dawning of the Eighty-Fifth begins lets take this moment to celebrate this past years achievements and look forward to the new opportunities and the challenges which lie ahead. We might ask - will we dedicate the MBA activities to the cause of Missions. Will we support in prayer, in giving and labors of love in service. It will be a rare and profitable time for us to work together - to respond to the Commission of Jesus to "be witnesses in Jerusalem and Judea." In light of God's constant love toward us may each of us respond to that love - for He has given us the innate ability to begin again, to find the good and the blessing in every experience along our journey on in faith. "A new heart also will I give you, and a new spirit will I put within you." Ezekiel 36:26.

We thank God for the support of the churches making it possible for our ministers to retire with dignity.

Respectfully submitted,

BAPTIST CHILDREN'S HOMES REPORT

You took the time, you cared. You gave much when you didn't have to. In behalf of Dr. Blackwell, the children in care, our staff and trustees, thank you for your prayers, your caring and financial support. You are special to this child care ministry.

A major thrust beyond our quality child care this year was the completion of our Long Range Plans. To continue being bold in child care, several challenges were accepted by our staff and trustees from the results of our five-year LRP. We plan to add two emergency care homes - another one on the Kennedy Home campus and one where the need is greatest. The Cameron Boys Camp will be expanded to care for 50 boys. Two specialized small group homes will be opened by early 1989 - a teenage mother-baby home and a behavior change program for teenage girls in Lenoir.

Fifty percent of our children have had little or no spiritual training prior to their being in our care. We rejoice that 79 were baptized into the family of God. Our ministry is "Missions in Miniature."

To meet these challenges and continue the current ministry to children, our budget must move from seven million dollars (which it has been for five years) to 11 million dollars by 1992-93. We hope that by 1993, the Baptists of NC will be giving 50% of our daily operating budget. Currently we receive 34%. This can be achieved by increasing church receipts through the Cooperative Program, the Homes & Hospital Offering and designated gifts from churches and individuals. The future of child care in NC is in the hands of Baptists of our great state.

Update from the Western Area: We here in the West continue to be blessed with mountain top experiences in caring for children. Moody Home in Franklin, Broyhill Home at Waynesville/Clyde, Thermal Belt Youth Shelter in Forest City and Haywood Emergency Care Cottage on the Broyhill Campus all continue to operate at near capacity levels.

While alternative options now open to unwed mothers have caused the demand for residential maternity care to somewhat decrease, the Baptist Maternity Home in Asheville continues to be one of our most blessed ministries.

The majority of young people we serve come from the ranks of the hurt and hurting. Sadly very few have had spiritual training prior to their time with us. In order to help fill this vacuum, SONshine Week, a week of special Christian activities, has come to be a vital part of the Broyhill program. One of the highlights of SONshine '88 was when Kristy, a high school Junior, shared her personal testimony in a way that thrilled and amazed us all. Kristy shared how her life was now transformed because of Broyhill and because Jesus Christ now lives in her heart. Equally thrilling to the testimony was the response of the troubled children who listened.

Respectfully submitted,
Bruce Bryant

Going, weeping, for a world of lost and sinful men.
Sowing, reaping, from the harvest field we must bring them in.
Going, weeping, sharing Jesus' love along the way.
Sowing, reaping we must go without delay.

DEDICATION

Rev. Cecil M. Frady and Jean Houston Frady

"UNITED IN FAITHFULNESS AND DEDICATION"

On November 1, 1970 Cecil and Jean Frady began serving Macon Baptist Association.

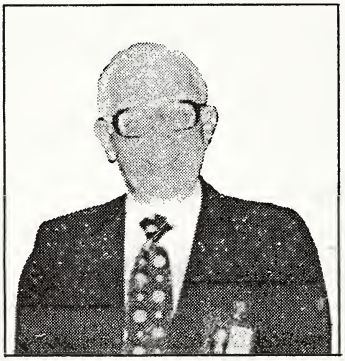
Both of them were born and educated in Jackson County. Cecil was ordained into the Gospel Ministry July 31, 1960, and graduated from Fruitland Baptist Bible Institute in March, 1962. Prior to coming to Macon Baptist, he pastored East Fork Baptist Church, Tuckasegee Association, and Holly Springs Baptist Church here. Jean attended Western Carolina University. In the years they have been here, she has served as Secretary (many years on a volunteer basis). She has also served as Clerk 1965-1968 and 1981-1983; held various offices in the Association; and presently is Assistant Clerk. Cecil and Jean were married September 10, 1948 and have two children, Linda (Fisher) and Randall, and two grandchildren, Jason Stewart and Jill Nicole Fisher.

Cecil is the first full-time Director of Missions to serve Macon Baptist, and has been in on the "ground-work" of many projects. During the time he has served, the Association House/ Office was constructed; the Association became self-supporting; there have been numerous Foreign, Home and State Missions trips, including trips to West Virginia and Honduras. Cecil and Jean have also developed a closeness with all 45 churches, visiting and assisting the churches in any way possible. Cecil also serves as Chairman of Camp Truett, and is co-ordinator with the Baptist State Convention for overseas work. He and Jean have faithfully participated in and promoted all meetings and activities of the Association.

At the end of 1989, they will move to Tuckasegee. We will miss them, and we wish them the best in their well deserved retirement.

They have been faithful servants of the Lord during their tenure at Macon Baptist Association. In appreciation for their dedication and faithfulness, we proudly dedicate this 1989 Annual to Cecil and Jean Frady.

IN MEMORIUM



REV. HOWARD WILLIS

1918 - 1989

"MACON COUNTY WAS HIS BELOVED PARISH."

Except for two brief periods of time, Howard Willis spent his entire life ministering and serving his Lord within the borders of Macon County. When Howard announced his calling to the ministry at age 43, it was not the beginning of ministry for him. He had been involved in the ministry of the Iotla Baptist Church as deacon, Sunday School teacher, and as Music Director.

Leaving a job at Zickgraf Hardwood Company, Howard went to Fruitland Baptist Bible Institute in 1961. While at Fruitland, Howard's commitment to excellence continued to be demonstrated with academic excellence, opportunities for service and school leadership.

In Macon County, Howard served as pastor of Liberty, Pine Grove, Oak Grove, Oakdale, and Mashburn Branch Baptist Churches. He also served as Director of Missions for the Macon Baptist Association and as Chaplain of Angel Community Hospital. Howard was so effective in what he did, even in retirement, you never thought of him as being retired.

Howard died as he lived. He filled his last day on earth in caring for and ministering to hurting people and then retired quietly to the tranquility of his farm in the lovely Iotla Valley from which the Lord called him home. He is survived by his wife, Mary, and a daughter, Wanda.

"Precious in the sight of the Lord is the death of his saints." Precious too are the memories of those who labored among us. "Till we meet again....."

Bringing In the Sheaves

Sowing in the morning, sowing seeds of kindness,
Sowing in the noon-tide, and the dewy eves,
Waiting for the harvest, and the time of reaping,
We shall come rejoicing, bringing in the sheaves.

Sowing in the sunshine, Sowing in the shadows,
Fearing neither clouds nor winter's chilling breeze,
By and by the harvest and the labor ended,
We shall come rejoicing, bringing in the sheaves.

Going forth with weeping, sowing for the master,
Tho' the loss sustained our spirit often grives;
When our weeping's over, He will bid us welcome,
We shall come rejoicing, bringing in the sheaves.

Bringing in the sheaves, Bringing in the sheaves,
We shall come rejoicing, bringing in the sheaves.

Lester Evans for position of Director of Missions for Macon Baptist Association. A move was made by Mr. Jim Williamson, Holly Springs, and a second by Mr. Fred Fouts, Ridge Crest, to accept the recommendation of the Search Committee.

A question and answer period followed, after which Mr. Dennis Freeman, Liberty, made motion that vote for DOM be taken by standing vote. Motion carried.

Moderator called for standing vote of those in favor/against Rev. Lester Evans as Director of Missions: Results: 133 for; 25 against.

Since there was a discrepancy between the number of votes and the number of registered messengers; and after attempts to reconcile the totals was unsuccessful, a move was made by Rev. in the votes. Herbert Gibson, Highlands First. Motion carried.

Rev. Waters reported the results of ballot vote on Rev. Lester Evans as Director of Missions: 120 yes - 37 no.

BAPTIST HOSPITAL REPORT

The past year at Baptist Hospital has been characterized by growth in facilities and personnel, advaancement in medical technology and continuation of the spirit of personal concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete. Construction of the Clinical Sciences Building is expected to be completed by 1990. The Medical Center Boulevard is currently being moved to make ready for expansion of the Patient/Visitor Parking Deck. Two new helicopter pads will be located on top of the parking deck. The J. Paul Sticht Center on Aging will be built on the approximate site of the current helicopter pad.

In recent months the hospital's Level One Trauma Center has seen further development of its critical care transportation system. The CommView Computer System stores large volumes of data and transmits the images via fiberoptic cable throughout the Medical Center and via satellite to other hospitals without any x-ray film. Some brain tumors can now be successfully treated by implanting a tiny radioactive pellet directly into the tumor. Other types of cancer can be treated by hyperthermia. A technique called Mohs Micrograpohic Surgery allows the removal of skin cancer with minimal damage to normal skin.

These and other advances in patient care attract patients from across the country and around the world. Last year the 22,100 persons admitted to Baptist Hospital came from almost every county in North Carolina, from thirty-five states, and from eight foreign countries.

We renew our commitment to the faithful delivery of pastoral care, beginning in our Center and reaching around the world.

Baptist Hospital continues to feel the effect of the health care personnel shortage. But the Code Blue Program in high schools of northwestern NC and the appeal to Baptist youth through Acteens is also creating interest in health care careers.

During the past fiscal year Baptist Hospital received $668,937.39 through the Cooperative Program and $303,133.07 through the Homes and Hospital Offering. The hospital staff and patients are grateful for the services made possible by these gifts.

Respectfully submitted,
Marshall Fouts

BAPTIST RETIREMENT HOMES REPORT

This marks the 38th year of ministry by the Baptist Retirement Homes. Charged in 1951 with the mission of providing residential care for "Aged Saints," the Homes provide care for Older Adults in five locations across the state.

A new continuing care retirement community, Brookridge, located in Winston-Salem will open for operation in the fall of 1989.

Recognizing the growing need for quality residential care for Older Adults, the Board of Trustees of the Retirement Homes has formulated a three-pronged long-range plan to meet this need:

* To work with churches and associations in the development of regional continuing-care retirement communities.

* To work with churches and associations in the development of "free-standing" residential housing.

* To work with churches and associations in the development of alternative forms of residential care for Older Adults.

One of the greatest challenges NC Baptists face as they move into the 21st Century is the question of how residential-living situations for Baptist Older Adults are to be provided.

With the support of NC Baptists, the Retirement Homes sees this challenge as a wonderful opportunity for ministry.

BROTHERHOOD COMMISSION REPORT

The Brotherhood Commission continues to feel the effects of its 1987 program changes that produced a comprehensive missions education package aimed at helping churches involve men and boys.

In October 1988, James H. Smith, Brotherhood Commission president, presented a plan of financial austerity following the production of 31 new books in 1987-1988, the cost of which had drained the agency's reserves. Smith set a goal of earning $240,000 over expenses in 1988-1989.

Located in Memphis, Tenn., the Brotherhood Commission is pioneering several new aspects of missions education.

The National Fellowship of Baptist Men continued its expansion of volunteer missions enlistment.

The second annual High School Baptist Young Men's Rallies were held in Gatlinburg, Tenn., and Arlington, Texas. They were also represented on the second National Baptist Young Men's Overseas Work Project in Chile during Christmas break.

Baptist Men served more than 95,000 meals in Mexico following Hurricane Gilbert's destruction. In Jamaica, they worked jointly with the Foreign Mission Board to rebuild churches.

World Missions Conferences were attended by 1.5 million people; 374 volunteered for missions service and 395 made professions of faith.

Through church and associational Brotherhoods men and boys have been involved in missions by actually doing missions activities, learning about missions, praying and giving to missions, and developing their own personal ministries. These actions have helped churches maintain integrity as God's people for God's world and have helped believing men grow in relationship to Christ.

HOME MISSIONS

This year instead of reporting names and numbers on a national scale, let me concentrate on one successful effort of our Home Missions Board.

The Southern Baptist Convention's annual meeting was held in Las Vegas, Nevada, June 13-16, 1989. In the days just prior to these sessions over 800 people participated in a door to door witnessing campaign. People were visited in their living rooms, carports, drive ways, grocery stores etc.

Copies of the New Testament (Here's Hope. Jesus Cares For You.) were passed out as the gospel was shared. Many souls were saved as witnessed by the testimonies of Richard and Tena Drumfield during the Home Missions Board Report. The people of Las Vegas were receptive to their effort and many even were appreciative of those who shared with them.

Pray for our Home Missions Board as they plan to continue this practice in future convention meeting places. Pray for the souls that will hear God's message in Jesus Christ His son.

Respectfully submitted,
Steve Reeves, HMB Denomination Agency

CHURCH TRAINING REPORT

In November of 1988, a team from Macon Association attended the ACCT Conference at Caraway, where we learned that Church Training offers much but too many of our churches fail to avail themselves of it.

At least one church resumed Church Training during the year. We had one child participate in Children's Bible Drill and one youth participate in Youth Bible Drill, which was a first for Macon Association in the Youth division. One church sent a delegation to the Associational drill to observe, for which we were pleased. Our goal for next year is to have more participate and more churches involved.

WE had a Key Leadership Conference in May. Three churches were represented and expressed the opinion that they were helped by the conference.

There is much that needs to be done. If you need help in any area, please contact me. I will be happy to help in any way possible.

Mary Powell, Director

SUNDAY SCHOOL REPORT

Macon County is a changing community, we're on the grow. Projections say that in a few years our population will double. This means more people looking for a church to attend and be involved with. Macon Baptist Association needs to become aware of the great potential and begin to prepare for it. When a family moves or relocates, it can be a transition period for them. We in Sunday School want to help in this time by: helpfulness, friendliness and invite new people to come join us in Sunday School. A great need lies ahead for us to develope teams within our churches to get these people in our Sunday Schools and worship services.

This spring our simultaneous Revivals will be held with the theme: Here's Hope. Jesus Cares For You. Our Sunday Schools will certainly want to be involved in this effort to Revive our people, and share the good news with the lost. My challenge to each church is, look ahead, with great expectation. The Lord is going to give us a bountiful crop. Its up to us to gather the harvest.

VACATION BIBLE SCHOOL REPORT

Your VBS team attended the REgional clinic on March 2, 1989 in Asheville. The all day clinic gave us insight to our material and how to present it along with other exciting ideas.

On March 6, 1989 a Pre-Planning meeting was held at the Macon Baptist Associational House for pastors and directors. There was 17 that attended this meeting, which presented ways to get started and how inportant early planning is to a successful VBS.

The Associational VBS Clinic was held April 24, 1989 at the First Baptist Church in Franklin. I want to commend our team for a job well done. This year we had a music class which was well received.

There was 103 attending the clinic with 19 churches represented. Churches recognized at the clinic for achievements in 1988 were: Distinguished: Coweeta, Liberty Newman Chapel; Advanced: Aquone, Faith, Franklin First; Merit: Black Mountain, Buck Creek, Cowee, Cartoogechaye, Higdonville, Iotla, Oak Dale, Pine Grove, Sugar Fork, Wells Grove, Windy Gap.

Out of 45 churches in MBA, Thirty churches reported that they conducted a VBS. We had some churches that linked-up with other churches. Overall enrollment was 2,221, professions of faith 19, New prospects 402.

Goals for 1990 are: 1. For every church to conduct a Bible School. 2. That churches using other curriculum plan to attend our clinic in April, give it a chance then to decide which would be best for your church. 3. Follor-up on New Prospects.

May we Christians grow in spirit as well as in numbers.

Diane Keener, Director

COOPERATIVE PROGRAM REPORT

Just before Jesus ascended back to Heaven, He left these final instructions: Matthew 28: 19-20, "Go ye therefore, and teach all nations baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo I am with you always, even unto the end of the world" A-men.

This is our mandate! These are our marching orders! We are called to go forward and, 1. Make disciples- go ye therefore 2. Mark Disciples- Baptizing them 3. Mature disciples- Teaching them. This is not a suggestion, this is a command from the Lord Jesus. Foreign Missions and missions giving is, and has always been, the heart beat of Southern Baptist. Whether it be our next door neighbor or our neighbors around the world, we recognize our responsibility to go ye therefore.

In 1925 Southern Baptist adopted a mission action plan known as "The Cooperative Program." In 1939 the Executive Committee of the Southern Baptist Convention made this report:

The Cooperative Program is the greatest step forward in Kingdom finance SB have ever taken. It was slow and gradual in its formation. It arose out of the desires and efforts of pastors and churches to find a plan whereby all worthy denominational causes might be cared for fully and fairly without conflicting with the necessary programs and work in the churches themselves. It is believed to be sane, scriptual, comprehensive, unifying, equitable, economical and throughly workable. It is based upon the assumption that all denominational causes will be included, that all agencies and institutions will cooperate in its promotion, that all pastors willrepresent and present all causes and seek to secure regular, proportionate and adequate support by putting on the Every Member Canvas ever year. In this way all occasions for rivalries and

conflicts and overlapping are removed, the offerings will be in regularly and each cause will receive and each contributing member will make 52 offerings a year instead of one. It is the best plan we know and it is hoped that it will increasingly receive the hearty enthusiastic support of all our people.

We still believe this is the best plan. I encourage pastors and churches in our MBA to give faithfully and sacrificial so that we do our part to share the gospel with our next door neighbor and our neighbors around the world.

Respectfully submitted,
Ed Trull, CP Agency MBA

DIRECTOR of MISSIONS REPORT

Praise God from Whom All Blessings Flow!

As I am nearing retirement, December 31, 1989, as Director of Missions of the Macon Baptist Association, I approach this time with mixed emotions. There is a sadness in leaving this great work and the wonderful people we have worked with and love so much. It's like leaving home and beginning again. The joy is that we have been led together, through the Holy Spirit of God to labor for His glory. There have been valleys to go through, rivers to cross and mountains to climb but Jesus is the Lilly of the valley, the bridge over trouble water, the ladder to climb the mountain, so He has been and will be sufficient for every circumstance that befalls us.

Space does not permit me to thank each one individually, and I want to thank all the officers, pastors, committees and leaders of the Association through these ninteen years and those we work with so closely for your thoughtfulness, understanding, support and prayers for the work. We thank the churches for receiving us in your midst. Special thanks to the efficient Clerks, Treasurers, Committee Chairman's, Moderators, and Trustees for your contribution in this our Lords work. Thank you for working with me and permitting me to be involved in many mission trips both Home and Foreign.

I have seen many of our young men surrender to the ministry and ordained and now serving our Lord, be strong and of good courage, fight the good fight of faith, and keep that which is committed to thy trust.

My dreams in seeing all the churches involved in the total of our Lords work in the association, nation and world, has not been a reality. We trust seeds have been sown that will yield fruit in due season.

Pray for the new Director of Missions, for cooperation, unity among all brethen. Be the Association God wants you to be in these troublesome times. There is much work to do and it is accomplished in working together.

Pray for us in transition and sun-set years that we will be used of God in His work till He calls us home. Pray for our youth, the next generation that they will serve God, we're only one generation away from extinction of Christianty. Pray for spiritual awakening in our midst, for lost souls--to go, weeping, sowing, and reaping that there will be a great harvest for our Lord and Savior.

Did you ever see a generation of old that put their trust in the Lord forsaken or confounded? Or were any despised that called upon Him? To God be the glory for the great things He hath done and is doing.

The grace of our Lord be upon you all, and make His face shine upon you and give you peace. We will be praying for you and trust you will be praying for us.

Respectfully submitted,
Cecil Frady, DOM, Macon Assoc.

HISTORY of WEST FRANKLIN BAPTIST CHURCH

West Franklin Baptist Church will celebrate its 28th anniversary this year. Rev. Clarence Taylor, Associational Director for the Macon Baptist Association, conducted a tent meeting near the present location of the church in 1961. This resulted in a desire to form a Baptist Church in the area. Wade Buchanan along with the help of Mr. Taylor and a small group of individuals (approximately eleven) moved from the tent to the block lodge building located on the adjoining property of the present facility. With the help of Franklin First Baptist Church and the Baptist State Convnetion West Franklin Baptist Church was organized. The chartered members received certificates dated September 3, 1961.

Wade Buchanan was elected the first Sunday School Superintendent; Wanda Farmer, Church Clerk; and J. Fred Bryson, Treasurer. October 11, 1961 the trustees of the church: Swan Elliott, Ed Phillips, and J. E. Buchanan purchased the property for the site of the church from Ernest Wallace, Jr. The building project was started with limited means under the leadership of Rev. Horce Falls. In 1962 Horce Falls was elected to serve as full time pastor. He moved to Franklin from Gastonia, North Carolina for the grand sum of twenty-five dollars per week.

The block church building was completed and dedicated. The note was paid in full April 23, 1968. In the Fall of 1973 the building was bricked and a steeple was erected which added to the beauty of the facilities. Over the years many improvements have been made to the original structure.

In 1988 we received a generous gift of a three bedroom brick house to be used as church parsonage. The only expense incurred at this time was a loan required to move the house to the church property.

Several members of the church have been called to the ministry and have been ordained. Ernie Sanders was one of the members to be ordained and he served as the pastor of the church at two different periods of time.

Rev. Clifford Patterson of Clay County is currently serving as pastor. The membership has grown to approximately 200.

HISTORY IOTLA MISSIONARY BAPTIST CHURCH

On July 11, 1903 Iotla Missionary Baptist Church was begun with a request from twenty-two members of Burningtown Baptist Church to go into Constitution to form a new church of same faith and order on Iotla Creek. All in full fellowship and good standing and done in regular conference and signed by order of the church these members were dismissed when constituted in new church. Property to build on was given by Mr. and Mrs. John Ramsey on December 16, 1902 also becoming charter members. The church was under the watchcare of Burningtown for one year. Our first pastor was Rev. W. L. Bradley. The church was fully constituted in 1904 and accepted into the newly formed Macon Baptist Association the same year. Services were held in the homes of members during the construction of the first church. The church was completed and dedicated to the Lord's service in 1905 and served as our place of worship until 1923. This building being removed in 1979 when the church voted to build a new sanctuary. On July 13, 1954 the church bought ten and one-half acres from Mr. and Mrs. J. E. Tippett and Mr. and Mrs. Cleta Tippett for a purchase of $5000. The property contained a wooden frame structure house and was our first parsonage. It was replaced with a new brick parsonage. On April 11, 1959 the church exchanged a tract of land in front of the home of Mr. and Mrs. Lewis Cansler for .08 acres at north end of cemetery for the purpose of cemetery improvement and extension. A perpetual fund was begun in 1960 for cemetery upkeep.

In 1963 a new brick veneer educational plant was erected adjoining the sunday school rooms errected at back of old sanctuary in 1950.

The church voted on September 10, 1978 to build a new sanctuary. Preliminary plans having been made, old sanctuary was razed and ground breaking for new one was held on October 25, 1978 with dedication services observed on March 9, 1980.

Ministers ordained at Iotla were: Rev. Arvil Swafford, Rev. Jud Duvall, Rev. Howard Willis, Rev. Guy O. Duvall and Rev. Lawerence Combs. Licensed were: Rev. Edwin Crisp, Rev. Wayne Sorrells and Rev. Michael N. Duvall.

Twenty-six pastors have served our church. Presently Rev. Steve Reeves pastoring. Our church custodian is Mrs. Mary Will Cansler, our church secretary is Mrs. Mildred Asby, Rev. Daryl Womack is our Director of Youth and Rev. Arnold Shower is our Joy Group Director. Our mission activities consists of: Brotherhood, Royal Ambassadors, WMU, Acteens and Mission Friends. We have a strong Sunday School and Church Training, with weekly Prayer Services and Bible Study.

On July 16, 1978 the 75th Anniversary (1903-1978) was observed. Through the years, the hard times and the good times, many dedicated faithful christian men and women have served in many ways. Their efforts have enabled us to gain higher goals for our Master. Presently under the capable leadership of Rev. Steve Reeves we are striving to live and grow spiritually by the unadulterated word of our Savior and Lord. Christian fellowship is felt and enjoyed through out our congregation.

STATE MISSIONS REPORT

North Carolina is a Mission field. Our 100 counties comprise a true mission challenge to our churches, associations, state convention and its institutions and agencies. No longer can we take for granted our "Baptist heartland". No longer can we assume that we have enough churches, enough ministries, enough missionaries, enough money. More than three million of our state's six million residents claim no membership in a church, anybody's church. The numbers aren't much better within our own denomination. Of our 1.1 million members on the roll, less than one-third of that number attend worship services and Bible study on a "good" Sunday. enrollment in our church program organizations declines more years than it grows. There were 100,000 more people enrolled in Sunday School 20 years ago than today. We're not keeping up, and we're certainly not growing.

But there is hope. Our churches, associations, state conventions, institutions and agencies still stand ready to minister in Christ's name to all people. Unfavorable odds have never deterred our energies. We must always reach out, minister, touch people wherever and by whatever means necessary.

This is State Missions. Our churches, associations, state convention coming together to reach these, these seemingly unreachables. State Missions is Walter Jones teaching a Seminary Extension course in a correctional institution. State Missions is Alma Helton going on volunteer mission projects from Alaska to Uruguay. State Missions is Shirlowe Powell leading in a lay revival weekend. State Missions is Amy Perez working with Hispanics in Charlotte. State Missions is Jesse Bowman; he's the first pastor of the First Baptist Church of the Deaf in N.C.

State Missions is scholarships at Baptist colleges for Baptist students and scholarships for Baptist young people at Camp Caraway and Camp Mundo Vista. State Missions is supporting Fruitland Baptist Bible Institute and North Carolina Baptist Assembly (Caswell). State Missions is supporting the Christian Action League.

State Missions is supporting Associational Missions. Almost 10 percent of the money received is returned to the association from where it was collected for that association to use the money in whatever mission projects it so chooses.

State Missions is all of these ministries, these people, these concerns, these institutions. State Missions is our way of responding to the Great Commission in our part of the world. State Missions is our way of changing lives.

FOREIGN MISSION REPORT

As in the past years since the start of our Foreign Mission Program, our foreign missionaries have done an outstanding service

in the foreign fields. Established by the Southern Baptist Convention in 1845 the Foreign Mission Board is the overseas mission channel for Southern Baptist Churches. Our churches support the ministry through the Cooperative Program and the Lottie Moon Christmas Offering.

According to all the reports presented by the Foreign Mission Board, 1988 has been an excellent year. Your prayers and your gifts helped to make the following advances for 1988. Baptisms: 197,863 people baptized; Churches: 1,430 new churches were started; Missionaries: 3,867 missionaries were supported in 113 countries; Bible by mail: 342,281 people enrolled in Bible Correspondence Courses.

It is more and more evident that reaching the whole world has called for more than the efforts of one denomination. A major development in 1988 was expanding dialogue with other groups that accept Christ's Command to witness to the world. Southern Baptist are filling a key role in fostering contact among these Great Commission Christians.

In order to reach the objective by A.D. 2000, we Southern Baptist must decide within the next few years if we are to make that deeper commitment in order to meet this goal.

Southern Baptist Foreign Missionaries have several ways of telling the good news. We have the missionaries in the field but they are now using the radio and television. Baptists overseas broadcast over 438 radio stations. Through television over 1,140 hours were sent out to an estimated audience in excess of 80 million people.

Times have changed, but the call of Christ has not. The need continues for qualified men and women to respond.

Mrs. Donna Sanders

BAPTIST CHILDREN'S HOMES REPORT

Like salmon, Baptist Children's Homes this year struggled upstream to get ahead of the problems that plague America's children and families.

While maintaining group care services in place since 1885, BCH also inaugurated two innovative services in Care House, the first home for teen-age mothers and their babies we know of anywhere and the Philpott Parent Aide Program.

Care House, where five teen-age mothers will learn to parent their babies, was dedicated June 4 during services at Lenoir's Lower Creek Baptist Church. Also dedicated then was the Marguerite Noel Home for Girls, our second behavior change home.

Until Care House, a young girl who had a child often could not return home. If she wanted to bear her child and keep it, the child had to go to one foster care home and the young mother to another until she was of age.

The Noel Home, like Moody Home in Franklin, cares for girls whose difficult behavior prohibits them from living at home or in traditional group care settings.

On June 21 BCH dedicated the Philpott Parent Aide Program in Davidson County. Trained volunteers will establish relationships with homes labeled "at risk" for child abuse. The volunteer will be counselor and friend, critic and confidant to help families spot and correct areas that lead to child abuse or neglect.

With renewed emphasis on church communication, BCH named two men to act as directors of church relations and planned giving. Charles Tanner and Bill Morrow will arrange BCH speakers for your church and help your members with estate planning.

BCH continues to implement "intentionalized services" according to the long-range plan it adopted in April 1988. Peer culture therapy is being utilized on children at Odum Home and Noel Home and is being phased in at Mills Home. This program makes the children more responsible, both for themselves and others in their cottage.

BCH continues to garner popular support with North Carolina Baptists who contributed $1.52 million through the Cooperative Program last year. In the 1988-89 fiscal year, more than $1 million has been received in bequests.

The executive committee of the General Board of the Baptist State Convention of North Carolina this year declined to adopt a report of a special study committee that would have drastically reduced BCH's share of the Cooperative Program. The committee recommended, and the General Board supported, a return of individual special offerings to Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital. All three social services agencies support such a move, which would eliminate the Homes and Hospital Offering they share. The state convention will vote on that proposal in November.

BCH, which began as an orphanage in Thomasville in 1885, operates four group care campuses, eight emergency care homes, a home for unwed mothers, a teen mother/baby home, two behavior change homes for girls, therapeutic camping and a model child development center. It has work in 17 locations across the state, serving more than 1,000 children and families each year.

All campuses and facilities welcome involvement by local churches, RAs, GAs, WMUs and Sunday School departments. Baptist support is strong for children and families and we pray it will continue to strengthen as needs grow every day.

THE BIBLICAL RECORDER REPORT

After more than 150 years as the Baptist paper serving North Carolina Baptists in particular and Southern Baptists in general, the Biblical Recorder is launching a new era of service and ministry for the decade of the '90s and the 21st. Century.

We have just completed a year-long readership survey at substantial cost and investment of time and energy, but we believe it is going to be helpful in charting the course for future service to our family of faith.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The Recorder is that source; nothing else matches the paper as a single resource of news, information, inspiration and challenge in our mission efforts together.

Competition for reading time is keen. Baptists are facing more and more demands upon their time and resources. The Recorder is never a luxury; it is a necessity if we are to work together in this complex and demanding age.

We have exciting plans for the future. More feature articles about North Carolinians, more articles geared to youth, family and women. An even greater focus on laypersons will continue after the beginning we made in 1988.

And we are trying to work out the mechanics of church pages whereby we can save churches time, money and staff work by offering them a page in the Recorder in lieu of their weekly newsletter. Watch for more details in the Recorder in the near future concerning this time and money-saving device for the churches (and associations).

We have a large readership now but we want more-- that is the purpose of the paper. We serve hundreds of thousands of Baptists but we want to serve even more. More than 60 percent of our news is from North Carolina now, but we want a higher percentage soon!

The most important thing facing us at this point is to get the paper into more Baptist homes than ever before. Will you help us? Not only subscribe to and read the Recorder yourself, but please speak a good word for the paper and urge others to subscribe and read it also. For more information on rates and special plans for subscribing, contact: The Biblical Recorder, 232 West Millbrook Road, Raleigh, NC 27609, Phone (919) 847-2127.

TRUETT CAMP REPORT

We have just completed Youth Music Week at Truett Camp. There was 73 that attended and most are making plans for the 1990 camp. J. Gilbert was their camp director.

Girls' GA Weeks were a great success this season. Pam Graham, the director, with the help of Stephanie Elliott did a good job. Eight girls were saved and numerous decisions were made for the Lord. One hundred forty girls attended.

Aud Brown is going to be the director for Boys' RA Camp this year and several registrations have come in for the two weeks of camp. We are anticipating a good time for the boys and their leaders.

We would like to thank each counselor and camp pastor for their time and efforts with the camp this season.

Plans are being made for a new building on the camp to be built if contributions can be made from our churches for the financing of the project to help house more campers.

We want to thank each church in the association for their prayers, and support the past year to make it possible for your children to have a good time at the camp.

MISSIONS COMMITTEE REPORT

The Missions Committee of Macon Baptist Association has been involved in two very special projects this past year.

First, as soon as funds were available, the Foreign Mission Board was contacted to inform them that Macon Baptist Association would like to sponsor a furloughing missionary and his family by providing housing for them in our associational area. We must now wait until an interested missionary contacts us.

The second task of the missions committee was serving as a search committee for someone to serve as Director of Missions of Macon Baptist Association.

The committee approached the search in the spirit of prayer and supplication, earnestly seeking the guidance of the Holy Spirit. We prayerfully considered each interested person and several who were not interested or did not feel that it was God's will for their ministry.

We are delighted to report that we feel that God led and kep us in a spirit of harmony. Due to His leadership, when it came time to make the final choice, a unanimous favorable decision was made on the first ballot without any prior discussion or consultation between committee members.

The committee believes that God's will was shown in the choice. As we have sought to serve God by serving you in the spirit of humility, we pray that this man and his beautiful family will be accepted and approved by the messengers of this association in the same spirit.

All of those who served on the committee would like to thank you for your prayers and for allowing us to serve in this very special ministry.

in Christ's Love,
Rev. S. J. Waters

EVANGELISM REPORT

Evangelism should saturate and embrace everything Southern Baptist are doing. There are a lot of good reasons for evangelism in our churches today:

(1) Because of Gods eternal love and his provision of new life in Christ for all men.

(2) Because of mans spiritual needs.

(3) Because people are hungry for the Gospel of Jesus Christ.

We need to get down to business or the time may come when we have to get out of business. We will either present Christ to Macon County or the people will perish without Him.

Look to the future with us as we prepare for the "Here's Hope Revival". It's purpose is to bring Macon County to a realization that Jesus is Lord indeed.

Our goal is to see all the churches of Macon County involved. Our Association has help and information for you. No matter how much we hope and desire to serve our Lord, it will never be reality until Christ has our committment and dedication. So let's win the lost at any cost.

Respectfully submitted,
Tom Harris

MACON BAPTIST ASSOCIATION HISTORY

1988 - 1989

It seems appropriate to dedicate this report to the memory of Nora Frank Moody who died September 23, 1988. She was born in Haywood County November 29, 1905, and lived in Macon County since 1914. She was a graduate of Meredith College and George Peabody College for Teachers. She retired after teaching for 33 years in Macon County. She also taught in Haywood County and at Camp Laboratory School in Cullowhee. She was a member of Delta Kappa Gamma and Retired Teachers Association. Miss Moody served as Historian of Macon Baptist Association from July 1, 1975, to June 30, 1981, and worked with the Historical Committee in preparing the history of the first 75 years of Macon Baptist Association. She did extensive research and completed the history of the first 25 years, and compiled some notes in regard to the remaining 50 years. Anyone having information in regard to this 75 year history, and interested in completing this work, should contact the Association Office. Miss Moody was able to attend the dedication of the Moody Farm Ministries Children's Home on the property she and her sister, Miss MayBeryl Moody gave for that purpose. The following is a quotation by Nora Frank Moody in the Baptist Childrens Home Publication in regard to Moody Ministries: "It was my sister's dream that children should grow up on this farm where we lived as girls. I am thrilled that her dream will soon come true, and I want to say thanks to all who have joined in making this a reality."

Other historians who served faithfully over the years include Doris Lynch 1981-1988, Mae McCoy 1967-1974, and Mrs. I. T. Peek 1959-1967. Elder J. R. Pendergrass served as historian in 1904 when the first session was held by Macon Baptist Association which was orginally part of the Tuckasegee Association. Others who served as historian were: J. L. Younce, J. M. Bennett, W. T. Potts, J. E. Rickman, F. M. Morgan, Rev. D. C. McCoy, Sanford Smith, Mrs. Jeter Higdon, Mrs. S. C. Russell, Rev. W. N. Cook, W. G. Crawford, and Fred Corbin. Mr. Corbin also worked with the committee in compiling the 75-year history, and was faithful in attending all associational meetings until the past few years when he has been unable to attend because of ill health.

BAPTIST FOUNDATION REPORT

"Strengthening for Greater Service" had special meaning for the trust agency of the Convention during the past year. Noting the progress made during its 69-year history in undergirding the financial support for the Convention, its churches, institutions, and mission causes, the Foundation recommitted itself to greater service to these causes.

With concern that it performs its mission efficiently and involves more Baptists in supporting the cause of Christ, the Foundation embarked on a campaign to secure funds for the construction of its own building.

Since its staffing in the early 1950's, space for the Foundation has been provided in the Baptist Building. With the rapid growth, the current space has become inadequate. The majority of the funds necessary to construct the new building have been secured. The new building will be erected beside the Baptist Building in Cary.

In engaging in this project, it has been of utmost importance to our Board of Directors and Staff that the on-going responsibilities of the Foundation not be neglected during the campaign. It is essential that more individual Baptists become aware of the possibility of sharing the message of Christ beyond their lifetime. Seeking to fill this role, the Baptist Foundation is the only entity which receives endowment gifts for any and every Baptist cause. Through trust and endowment funds established by individuals, churches, and associations, the principal is invested and income is paid regularly and perpetually to the cause or causes named by the donor.

Total assets of the Foundation is now approaching $17 million, of which $3.8 million was added in 1988 alone, making this the greatest year of growth in the Foundation's history. Last year, $1,258,775 was paid to Baptist work and to individuals designated in charitable remainder-type trusts. This latter agreement provides for income to be paid to the donor (or other individuals) for a specific period of time and then to charitable causes thereafter. Through this method, the donor is assured that heirs are not neglected and that Christian causes will eventually benefit from the estate.

We are continually grateful for the support of Baptists across the state who support the mission and ministry of the Foundation. We welcome the opportunity to serve.

NORTH CAROLINA BAPTIST COLLEGES REPORT

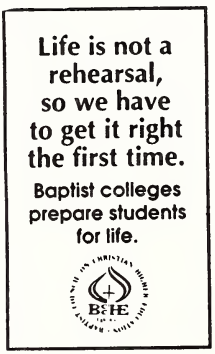
Baptists and their colleges have been doing Christian education together for a long, long time. When they are totaled, the cumulative number of service years for our seven colleges is 807!!! North Carolina Baptists have grown up with their colleges, so much that it is difficult to imagine our total mission program without our colleges. During the 1988-1989 school year, there were 18,534 students and 2,249 faculty and staff engaged in the programs of Baptist colleges.

If you should ask our college leaders what is uppermost in their minds these days, you would get an answer such as this: "Christian education, Baptist students, and Cooperative Program support." A sentence or two about each one of these will complete this report:

Christian Education: There are large and important differences that belong to Baptist colleges. They are smaller, friendlier campuses where Christian community is present and encouraged and where education and the Christian faith are compatible.

Baptist Students: Young people from our churches are encouraged to apply to Baptist colleges. Pastors and parents can help students with their life plans when they guide them toward Baptist schools. Generous student aid and work study programs make it possible for any qualified student to attend a Baptist college.

Cooperative Program: Your N.C. Baptist colleges say "Thank you" for the generous financial support through the Cooperative Program. Baptist dollars buy quality Christian education and make healthy institutions possible.



Respectfully submitted,
Vicci T. Owens
Christian Higher Education

ANNUITY BOARD REPORT

The Annuity Board continues to blaze trails in its effort to "serve those who serve the Lord". The effort put into planning and promoting the Expanded church Annuity Plan continues to bear amazing results which will multiply manyfold down through the years. Goals set by the Annuity Board trustees for 1989 include: Developing a long term care plan suitable to Southern Baptist ministers and their families; Working through the Church Alliance to provide an approved IRA or to restore the tax deductible option of the Voluntary Annuity Plan; Providing more choices for ministers seeking to meet the needs for family insurance protection; Continuing to work hard to control health care costs; Developing materials on financial planning; Continuing to make churches and ministers aware of retirement and insurance plans.

Significant progress has occurred in meeting many of these goals. A new and vastly improved insurance program is being offered under the name ChurchLife. There will be four plans from which to choose. In addition to other improvements there has been an increase in the amounts of insurance that can be carried out in retirement.

It is astounding to see the growth of the Annuity Board and its ministry to ministers across the Southern Baptist Convention. There were, at the end of March 1989 19,972 annuitants who received $20,246,625. There were 472 recipients of Adopt - An - Annuitant grants, totaling $67,775, and 409 monthly relief grants amd 180 monthly expense grants, receiving a total of $142,914. The AB assets at the end of March were $2,460,709,118, most of which belongs to Southern Baptist ministers who participate in the retirement plans.

Efforts continue to be made which will help churches and ministers have a plan for retirement. Each church is encouraged to be a responsible employer and to make every effort to see that ministers participate by providing its contribution to the plan for those who serve the Lord in that church. It should be a condition of calling, both for the church and the minister, that the minister be covered. It is protection - both for the church and the minister.

This is what is happening in North Carolina: 1. There have been 27 new members enrolled in the retirement plans during the period April 1 - June 30. 2. There have been 61 plan upgrades during this period. 3. There are now 2162 North Carolina churches and associations contributing to retirement plans. 4. North Carolina has 1892 signed Cooperative Agreements! More than any other state! 5. The number of churches participating at the old Plan A level of $33.34 has decreased from 439 to 92. 6. The average annuitant in North Carolina receives $249.96 month, up from $234 last year. 7. North Carolina has 3,406 members making contributions to Annuity Board retirement plans. 8. There are 1,764 annuitants receiving benefits each month in North Carolina - $440,929.89 each month!

It is exciting to think about what has been done to help ministers retire with dignity. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them.

But there is still so much to be done! Consider these facts: 1. Only 64% of our churches are participating in our retirement plans - even after all these years of opportunity. 2. Of this 64%, many do not actually make contributions. The minister does this on his own. 3. Small contributions make the annuitant's benefits small: In North Carolina: 184 receive less than $50; 493 receive less than $100; 1006 receive less than $200; 1287 receive less than $300. 4. We have 151 churches that have signed the Cooperative Agreement, but still make no contribution. 5. We have 457 churches that are making contributions but still have not signed the Cooperative Agreement.

Suffice it is to say that there is a great challenge still before us to help ministers prepare for the future and to help churches be responsible employers.

Let's keep up the good work.

Jim Lambert, Administrative Associate
for Minister Support, BSC of N.C.

CHRISTIAN ACTION LEAGUE of NC

When the 1989 Session of the General Assembly of North Carolina convened on January 22, the first bills to be introduced were three lottery proposals: one in the Senate and two in the House.

Such gambling legislation has become an annual event for the last six years. However, the pressure for establishing a statewide lottery has been stronger this time around due to two factors: 1. Virginia has started a lottery; and, 2. Revenues are very tight, and legislators are looking for money to grant state employees and school teachers a pay raise.

When this article was prepared on July 17, all three lottery bills were still in committee.

However, Senator Kenneth Royall of Durham, introducer of Senate Bill 4, has announced that in the closing days of the legislature that he will begin a push for his lottery bill. Many close legislative observers believe that he has the votes to get it out of the Senate, but there remains strong opposition in the House.

A lot of prayer, time and energy has been exerted in the current legislative session to defeat any gambling legislation; to prevent any erosion of our liquor laws; and to support efforts to strengthen our drunk driving statutes.

A Legislative Study Committee and the Governor's Highway Safety Committee held herings throughout the state in the past year to get citizen input on ways to make our highways safer. As a result of these sessions, a Safe Roads Study proposal was introduced that consisted of the following features: 1. lower the breathalyzer threshold from .10 to .08 for motor vehicles; 2. ban open containers of alcoholic beverages in motor vehicles; 3. increase fines for drunk driving; and 4. establish a .04 standard for operators of commercial vehicles (bus and truck drivers). The House passed the bill, but it's existence now depends upon the action of a House-Senate conference committee.

Yet, with such a busy legislative agenda, the League has assisted in numerous liquor elections across the state.

We are hearing a lot of voices talking about declaring WAR ON DRUGS. U.S. Surgeon General C. Everett Koop has given our nation some words of wisdom: "It isn't ginger ale we're talking about. It's alcohol, the most widely abused drug. In the alleged war on drugs, alcohol enjoys a battlefield exemption. The United States will one day have to choose between alcohol and health ....because we can't have them together."

Yet, the pulpits of America have become silent in so many of our churches concerning this No. 1 addictive drug. May this condemnation not be laid on the steps of the churches of your association.

The Christian Action League stands ready to join with you in the ministry of Applied Christianity as we confront the moral and social evils of today's world.
